IMMEDIATE START OF HIGHWAY 2 ASSURED

Canadian New, Higher Tariff Becomes Effective

200 PRODUCTS MADE IN U. S. ARE AFFECTED

MANY OF RATES STRIKE DIRECTLY AT POCKETBOOKS OF AMERICAN FARMER

INTENDED TO AID INDUSTRY AND EMPLOYMENT IN CANADA

Ottawa, June 2.—(U.P.)—Approximately 200 products in wide general use and manufactured in the United States and other countries for exportation into Canada were subject today to the new, higher tariff rates—some as high as 40 per cent—announced by Premier R. B. Bennett.

Many of the rates strike directly at the pocketbooks of the American farmer, as well as the manufacturer, and are intended to aid industry and employment in this country.

The increases, which went into effect immediately upon being read in the house of commons by the Premier yesterday except in stipulated instances, are radical in nature and affect nearly every product produced for export from the United States.

Although many see the new tariff as a retaliatory measure against the tariff wall placed around this country with passage of the United States' Smoot-Hawley measure, Premier Bennett in his budget speech indicated the increases were a result of the success of new rates put into effect last September. Since the September increases, which also were seen as a barrier to American products because of the increased United States tariffs, the premier said 87 new branch factories had been established here.

Automobiles, coal, coke, corn and corn products, food, hogs, fresh meats, hams, bacon, shoulders, canned goods, oranges and many other foods and food products are affected by the increases and are among those on which high rates have been fixed.

Premier Bennett believes these increases will lead to the establishment in this country of additional branch factories for products previously imported by Canada and eventually will increase employment. He cited the substantial increase of factories here by United States' concerns to evade the high protective tariffs immediately after the September increases as proof of the soundness of his present measure.

Despite the premier's contention that industry has increased in this country since the last tariff measure, his budget sheet for the Dominion for the fiscal year 1930-31 showed a deficit of \$75,000,000. The increased rates on coal, for instance, were frankly for revenue and not for protection.

The rates effective today are so radical—in many cases almost prohibitive—that many commodities formerly imported duty free, will be heavily taxed, while others on which duties already were assessed, now come under an even greater rate.

Although striking at the corn growers of the United States, Premier Bennett provided for relief of the Canadian farmer in another budget item. The government will contribute five cents a bushel toward the transportation of all corn exported from Canada.

Periodicals, also previously on the free list, will be charged 15 cents a pound. This more than doubles the cost of many magazines and in some instances increases it four-fold.

St. Paul Flier Recovers from Injuries Received; Crashed at St. Cloud

St. Cloud, Minn., June 2.—(U.P.)—Hilbert Nieman, St. Paul aviator and wrestler, will be released from St. Cloud hospital tomorrow completely recovered from injuries sustained when his airplane crashed Saturday, physicians said today.

Nieman was injured when his monoplane plane went into dive from 150 feet, crashing on the farm of Carl Reicken. Mrs. Nieman was a guest of the Reickers and witnessed the accident.

Nieman was testing out a new set of wings for the plane which had recently been attached.

Postmaster Combined His Duties with Bootlegging

Fergus Falls, Minn., June 2.—(U.P.)—Farmers who came to Holdingford to get their mail could also purchase a few quarts of liquor from Postmaster Albert J. Schroeder or his assistant, George W. Troxil, it was revealed in federal court today.

Schroeder was sentenced to 18 months in federal prison at Leavenworth, Kan., for combining his postal duties with bootlegging and Troxil was given a suspended sentence on a plea that he was forced to peddle alcohol to hold his job.

OLD FASHIONED ALL DAY SUCKER STILL IS POPULAR CANDY

Chicago, June 2.—(U.P.)—The old fashioned all day sucker still is America's most popular candy, according to reports today of 300 manufacturers at the 48th annual National Confectioners' association convention.

Meeting the sucker demand is one of the chief concerns of the candy industry. E. E. Cahoon, manufacturer, said. Machines have now been invented that turn out 400 suckers a minute, 192,000 a day, and 1,152,000 suckers a week.

It was estimated that if 100 seven-year-old children began licking one-day's production of one of the machines they would be more than 34 years old when they finished.

MILITARY POLICE FIND 16 YEAR OLD MARGRET BOYERS

MISSING 36 HOURS, DAZED AFTER BEING THROWN FROM HER HORSE

"WHISKEY" WAS A FAMOUS JUMPER AND CALLED A "BAD HORSE"

Fort Snelling, Minn., June 2.—(U.P.)—Military police today found Margaret Boyers, 16, daughter of Captain and Mrs. James A. Boyers, after she had been missing for 36 hours.

She was wandering northwest of the army reservation in a dazed condition when found by the patrol which was part of a group of 1,000 officers and enlisted men in the third infantry which were ordered to search for the girl by Colonel David L. Stone, commandant of the reservation.

The girl was unable to explain the accident which threw her from Whiskey, famous jumper which had won numerous cups in northwest horse shows. The animal was called a "bad horse" and the girl was thrown and knocked unconscious.

She left Fort Snelling at 2:30 p. m. Sunday to go riding. At 5 p. m. the animal returned with its reins dragging. Miss Boyers was missing. Her family at first thought she might have stayed at the home of a friend since the animal had not fallen nor was it perspiring.

Miss Boyers said all she remembered was that the horse stumbled and fell, throwing her to the ground. When found, the young woman was taken to the quarters of Colonel Stone for treatment and then removed to her parents' quarters to recuperate.

ONE MAN KILLED, ONE WOUNDED IN FIGHT AT SEA

San Pedro, Calif., June 2.—(U.P.)—One man was killed and another wounded in a running fight at sea between the rum runner Diatone and the coast guard cutter Arrow, it was announced today on the arrival of the cutter here with the liquor craft in tow.

William K. Milligan, 22, of Wilmington, was killed in the fight while D. C. Clark, captain of the Diatone, received an eye injury.

Clark and another member of the crew, Walter "Red" Moore, were placed under arrest and will be turned over to federal authorities, coast guard officials stated.

New Page Written in the History of St. Lawrence Shipping

Quebec, June 2.—(U.P.)—A new page was written in the history of St. Lawrence shipping when the Empress of Britain, newest, largest and fastest liner in the Canadian Pacific fleet, glided into the new wharf at Wolfe's Cove, above Quebec, last night, 5 days, 13 hours and 25 minutes after she had left Southampton.

The trip from Cherbourg was completed in 5 days, 5 hours and 25 minutes, both these times being St. Lawrence route records.

Douglas Fairbanks, noted film star, accompanied by his wife, Mary Pickford, disembarked and proceeded to Vancouver, enroute to San Francisco and Los Angeles.

Dollar Liner President Jefferson Goes Aground

San Francisco, June 2.—(U.P.)—The Dollar liner President Jefferson grounded on a mud flat at the mouth of the Wangpoo river near Shanghai today but it was able to pull off later without damage, officials of the company said. The ship then proceeded to Shanghai.

Gov. Pinchot Declares Powerful Combine of Public Utilities Threatens Peoples' Regime

DELIVERS TALK BEFORE GOVERNORS IN CONFERENCE

SAY 90 PER CENT OF ELECTRIC POWER CONTROLLED BY 4 MAJOR INTERESTS

WORK TOGETHER UNDER COMMON POLICY TO "MILK THE PUBLIC"

French Lick, Ind., June 2.—(U.P.)—The powerful combine of public utilities threatens to undermine government by the people, Governor Gifford Pinchot, Pennsylvania, charged today in an address delivered before governors of the United States in conference here.

About 90 per cent of the electric power generated in the nation is under the domination and control of four major interests, which work together under a common policy and toward a common end—"milking the public," he said.

The utilities speech was substituted by Pinchot for an address on "Timber Needs of the Future," a topic assigned him by the executive committee of the conference which had agreed that controversial matters would be banned from discussion.

"The power of public utilities is manifest in every political assembly, from the congress of the United States to the smallest town meeting," Pinchot said.

"The political power of the utilities is the direct result of the failure to regulate them on one hand, and of their almost incredible expansion on the other."

"Beginning less than two generations ago with nothing, the electric industry today has an investment of nearly twelve billion dollars. It ranks fourth or fifth among all our industries in invested capital."

"Electric consolidation has gone so far that a single group controls, directly or indirectly, over one-half the electricity generated in the United States."

"I have no desire to be unjust to the utilities. A square deal, however, does not require or include the unbridled power to make such profits as they please, to control public service commissions that might impede their march to commercial dominance, nor to own and operate such political organizations necessary to perpetuate their graft."

"I call it graft. And I am well within my right. Through overcharges in rates, throughout the United States, the public utilities are collecting each year a sum estimated at five hundred million dollars."

In another departure from his assigned topic, Governor Franklin D. Roosevelt of New York called upon the United States government to do what it can to overcome depression and submitted a four-point plan for meeting what he termed the new economic and social balance.

Governor Roosevelt outlined his four point plan to combat depression by declaring that changes in highly urbanized civilization are necessary and suggesting:

1. "Scientific tariff aimed primarily to create a movement of world

Rebels Blow Up Bridge and Wreck Mail Train Near Rangoon, Burma

Rangoon, Burma, June 2.—(U.P.)—Rebels blew up a bridge between Rangoon and Mandalay today, causing the wreck of a mail train express. The incident was one of several outbreaks in the vicinity in recent weeks.

CATHOLIC CHURCH, FASCIST STATE IN CRITICAL CLASH

MUSSOLINI REGIME FEARS RISING POLITICAL INFLUENCE OF THE CHURCH

DEMANDS LAY CATHOLIC ORGANIZATION SHOULD CEASE TO EXIST "AS A WHOLE"

By THOMAS E. MORGAN

Rome, June 2.—The struggle between the Catholic church and the Fascist state reached a critical stage today.

The government headed by Premier Benito Mussolini apparently fearing the rising political influence of the church, submitted a "maximum demand" whereby the Azione Cattolica, lay Catholic organization, would cease to exist "as a whole."

Rejection of the demand by the vatican was regarded likely. The government's next step, it was believed, would be to request that leaders of the Azione should be chosen after a thorough investigation as to their political fitness, with final approval by the government.

The Azione Cattolica already has been restricted throughout Italy under orders from Premier Mussolini. The organization, one of the most powerful Catholic bodies in the world, has been the center of the controversy between the Fascists and the Holy See.

The government's demands aimed at the extermination of the Azione Cattolica followed a day in which a tendency toward compromise had given rise to a feeling that the difficulties would be solved peacefully. Among the developments were:

1. A government intimation that Catholic young men's clubs, including Knights of Columbus playgrounds, would be permitted to re-open.

2. Mussolini's order that anti-Catholic demonstration of Fascist youths should be abandoned.

3. Mussolini's order that the Fascist newspaper, Lavoro Fascista, discontinue attacks on the pope.

4. Pope Pius' order that the Vatican organ, Osservatore Romano, cease attacks on Fascism.

These moves toward compromise were seen as indicating both Mussolini and the pope were bent on reaching a peaceful solution of the attacks and counter-attacks among Fascists and Catholics, one against the other.

commodities from one nation to another."

2. "A better system of national taxation."

3. "A plan to cut excessive cost of local government."

4. "Extension of insurance to cover fields of sickness and unemployment."

STATE HIGHWAY BUILDING PLANS ARE AFFECTED

NEW YORK BOND ATTORNEYS QUESTION LEGAL LIMIT OF SECURITIES ISSUED

TEST CASE WILL BE PREPARED IMMEDIATELY TO TAKE UP THE RULING

St. Paul, Minn., June 2.—(U.P.)—Minnesota's highway building program was virtually cancelled today by an opinion from New York bond attorneys holding that the legal limit of securities that can be issued this year is \$2,000,000.

A test case will be prepared immediately, Attorney General Henry N. Benson announced. If the attorneys' ruling is sustained it will mean that the \$15,400,000 bonds authorized by the legislature for road work this year will be cancelled.

The opinion was written by Thompson, Wood and Hoffman, New York bond attorneys with whom Minnesota officials were negotiating for the floating of their highway construction bond issue.

In November, 1930, an issue of state securities to retire \$9,000,000 worth of county bonds was made. Of this money, only \$1,000,000 was paid off in 1930, the remainder being held over to retire bonds reaching maturity this year.

Benson held that because the bonds were issued in 1930 they were properly chargeable to that year's limitations.

The New York firm ruled that since the proceeds of the bonds were to be put to use this year, the amount must be charged to the 1931 limit, leaving but a \$2,000,000 balance under the legislative acts and the state constitution.

State officials said that even if a test case were started, it could not be decided in time to carry out the intended program this year.

In the meantime the highway department was confronted with contracts already let to total \$1,000,000 whose cost, it was expected, would be met out of the bond issue.

Benson, Highway Commissioner C. M. Babcock and W. H. Gurnee, deputy attorney general, will leave for New York tonight to confer with the attorneys.

Under an act approved by the 1929 legislature, issuance of securities in the years 1930, 1931 and 1932 to repay counties for highway work was authorized and a limit of \$1,000,000 was placed upon such disbursements in 1930. For the latter two years no limit except the \$10,000,000 limitation placed by the state constitution, was imposed.

INJURED BOY 115 HOURS IN COMA

Valley City, N. D., June 2.—(U.P.)—Recovery of Harold Heinze, 12, Tower City, was predicted by physicians today as the boy regained consciousness after 115 hours in a coma.

Heinze was injured when he failed to dodge for a low bridge as the truck he was riding upon passed under. Physicians said the boy's skull was fractured.

The accident occurred last Friday.

DEFINITE ROUTE THROUGH CITY IS FIXED BY STATE

ACTUAL PAVING MAY NOT START UNTIL NEXT SPRING; BRIDGE PLANS PUSHED

HIGHWAY WILL RUN DIAGONALLY THROUGH BLOCK 36; CITY APPROVES ROUTE

With the contract for grading of nine and nine-tenths miles to be awarded at St. Paul today, the State Highway Department advanced plans for an early start of construction work for the relocation of Trunk Highway No. 2 as affecting Brainerd.

Definite location of the highway through the city was established last evening when the city council approved the route as presented by Carl O. Harholdt, division engineer, and H. D. Sorenson, resident engineer of the Minnesota Highway Department.

This route stands today as the definite relocation of the highway leading into and out of the city, primarily established to avoid as many grade crossings as possible and to construct a serviceable bridge to meet the requirements of traffic on Highway No. 2 together with that on No. 19 as fed by Highway No. 27.

The project begins at a point about 500 feet west of the city limits, then continues along Richard Street to the Mississippi river where a crossing will be provided coincident with the center line of Main Street, thence along Main Street to North Tenth Street, thence diagonally through Block No. 36 in a northeasterly direction, thence along the fill and A Street to Fifth Avenue N. E., thence in a northeasterly direction until it intersects H Street near the entrance to Lum Park, thence east along present road one-quarter of a mile where it turns northeasterly towards Ironton, linking the present highway four miles west of Ironton.

The grading will start promptly inasmuch as contractors who are bidding on the work are prepared with their equipment to begin immediately.

Preliminary work will be done outside the city and when preparations are made for paving, the city council will doubtless work in conjunction with the highway department in paving the route through Brainerd.

The state will stand the expense of 20 feet of paving through the city, property owners affected and the city to be assessed for their share of additional paving. Under present conditions the approximate cost for 50 foot frontage on Main Street will amount to \$125 to the property owner.

It is unlikely that actual paving will start before the spring of 1932.

The possibility exists that the State Highway Department will award the contract for the construction of the new bridge this fall.

The highway engineers expressed the hope that a concrete construction would be erected, similar to the one now spanning the Mississippi at Anoka.

In passing through Block 36 of the city there is a possibility that three buildings may be vacated to provide right of way. Additional right of way will be asked of the N. P. along the shop fence at A Street, making that a 45-foot street.

The city council assumed the responsibility of the establishment of the grade through the city similar to a grade established by the city itself.

Construction of the bridge will require actual working time of about eight months while a similar time will be needed for grading and paving. In West Brainerd, Richard Street is to be widened to 100 feet, 20 feet wider than its present width. This widening affects the south side of the street only.

Future plans of the highway department indicate that there will be a grade separation at the M. & I. track a mile west of the city near the Brainerd Country Club.

Approximately three miles of paving, beginning west of the city and ending at Lum Park will be added to city paving as a result of the new highway.

Until some future plan is reached, Trunk Highway No. 27 will be established on Sixth Street crossing the Northern Pacific tracks and ending at Highway No. 2 at Main and Sixth Streets.

The railway company will be asked to rearrange manner of switching and train movement to lessen traffic congestion at the crossing.

Mr. Harholdt stated to the council that Mr. Sorenson will work at all times in conjunction with City Engineer R. T. Campbell during the progress of the highway within the city limits.

Mr. Sorenson's office has been established in the building used as a polling place at 409 Main Street. He has a staff of four men assisting him in laying out and measuring up the work during the construction period.

Atthol, Mass., June 2.—(U.P.)—Theodore Newton, 24-year-old bank clerk, was kidnapped in his own automobile in the business district here today, taken to an isolated section of the town, taken with a revolver butt and robbed of \$6,000.

THE WRECK OF ARNOLD'S CAR

The wreck of Billy Arnold's Miller-Hartz Special, which crashed on a turn after leading the field for about 400 miles of the 500-mile event. Arnold suffered a fractured hip, bruises and burns. An 11-year-old boy was killed by a tire thrown by the car.

WILLMAR VOTING ON QUESTION OF HAVING SUNDAY MOVIES

Willmar, Minn., June 2.—(U.P.)—Voters will go to the polls today to decide whether Willmar shall have motion pictures on Sunday after more than a year's controversy over the question.

The question will be put to voters in one ballot and polls will be open from 6:30 a. m. to 8 p. m. The special election was called in the hope of untangling the Sunday motion pictures question.

Several changes in polling places will be inaugurated in the special election, officials said.

MAN ALLEGED TO BE PERRY TO FACE CHARGES

DENIES HE IS THE SO-CALLED "MARRYING MILWAUKEE BRAKEMAN"

IS CHARGED WITH MURDERING CORA BELLE HACKETT AT LAC DU FLAMBEAU

San Francisco, June 2.—(U.P.)—A man alleged to be George W. E. Perry, the "marrying Milwaukee brakeman," but who claims he is Frank J. Moran, was enroute today to Wisconsin to face charges of murdering Cora Belle Hackett at Lac Du Flambeau.

Before leaving with Wisconsin officers, the suspect said goodbye to his bride of three months, the former Anna Gutierrez. She told authorities she believed him innocent, but refused to mortgage her property so that he might fight extradition.

The man left San Francisco last night a few hours after Governor Jas. Rolph Jr. of California signed the extradition papers.

Perry was wanted on a charge of killing one of five wives he was alleged to have married within a few months of each other. Mrs. Hackett-Perry was shot to death in July, 1930.

The man arrested here denied any connection with the crime and told persons who assertedly identified him as Perry that they had "made a mistake."

FALL FAMILY IS UNDECIDED ON ACTION TO TAKE

U. S. SUPREME COURT REFUSES TO REVIEW TRIAL AND CONVICTION OF FALL

FORMER OFFICIALS' HEALTH HAS FAILED FAST SINCE HE WAS CONVICTED

El Paso, Texas, June 2.—(U.P.)—Members of Albert E. Fall's family indicated today they would leave to their attorney, Frank J. Hogan, the decision as to what action would be taken regarding refusal of the United States supreme court to review the trial and conviction of the former secretary of interior.

Neither Fall, Hogan, nor any member of the Fall family would comment on what course would be followed, but it was believed that application would be made either for a presidential pardon or a suspended sentence.

Fall's health has failed rapidly since his conviction of accepting a \$100,000 bribe in connection with granting naval oil leases while he was secretary of interior in the Harding administration. He was sentenced a year in prison and fined \$100,000.

News that the review was denied was a severe shock to him and his family. His daughter, Mrs. C. C. Chase, fainted when she heard it. Mrs. Fall was bitter.

"They are trying to kill us all—but they won't kill me," she said grimly. Fall was asleep in a darkened room when the news came. He did not comment.

CANADIAN STEAMER CORNWALLIS AGROUND NEAR PORT HOOD

Aboard S. S. America, at Sea, June 2.—(U.P.)—The Canadian steamer Cornwallis went aground near Port Hood, Nova Scotia, today.

Distress signals were sent out at 9:10 a. m. Greenwich mean time (1:10 a. m. central standard time).

The Cornwallis was reported refloated at 10:22 a. m. GMT (2:22 a. m. CST). The forepeak was reported full of water but the ship was believed in no immediate danger.

IMMEDIATE START OF HIGHWAY 2 ASSURED

Canadian New, Higher Tariff Becomes Effective

200 PRODUCTS MADE IN U. S. ARE AFFECTED

MANY OF RATES STRIKE DIRECTLY AT POCKETBOOKS OF AMERICAN FARMER

INTENDED TO AID INDUSTRY AND EMPLOYMENT IN CANADA

Ottawa, June 2.—(U.P.)—Approximately 200 products in wide general use and manufactured in the United States and other countries for exportation into Canada were subject today to the new, higher tariff rates—some as high as 40 per cent—announced by Premier R. B. Bennett.

Many of the rates strike directly at the pocketbooks of the American farmer, as well as the manufacturer, and are intended to aid industry and employment in this country.

The increases, which went into effect immediately upon being read in the house of commons by the Premier yesterday except in stipulated instances, are radical in nature and affect nearly every product produced for export from the United States.

Although many see the new tariff as a retaliatory measure against the tariff wall placed around this country with passage of the United States Smoot-Hawley measure, Premier Bennett in his budget speech indicated the increases were a result of the success of new rates put into effect last September. Since the September increases, which also were seen as a barrier to American products because of the increased United States tariffs, the premier said 87 new branch factories had been established here.

Automobiles, coal, coke, corn and corn products, food, hogs, fresh meats, hams, bacon, shoulders, canned goods, oranges and many other foods and food products are affected by the increases and are among those on which high rates have been fixed.

Premier Bennett believes these increases will lead to the establishment in this country of additional branch factories for products previously imported by Canada and eventually will increase employment. He cited the substantial increase of factories here by United States' concerns to evade the high protective tariffs immediately after the September increases as proof of the soundness of his present measure.

Despite the premier's contention that industry has increased in this country since the last tariff measure, his budget sheet for the Dominion for the fiscal year 1930-31 showed a deficit of \$75,000,000. The increased rates on coal, for instance, were frankly for revenue and not for protection.

The rates effective today are so radical—in many cases almost prohibitive—that many commodities formerly imported duty free, will be heavily taxed, while others on which duties already were assessed, now come under an even greater rate.

Although striking at the corn growers of the United States, Premier Bennett provided for relief of the Canadian farmer in another budget item. The government will contribute five cents a bushel toward the transportation of all corn exported from Canada.

Periodicals, also previously on the free list, will be charged 15 cents a pound. This more than doubles the cost of many magazines and in some instances increases it four-fold.

St. Paul Flier Recovers from Injuries Received; Crashed at St. Cloud

St. Cloud, Minn., June 2.—(U.P.)—Hilbert Nieman, St. Paul aviator and wrestler, will be released from St. Cloud hospital tomorrow completely recovered from injuries sustained when his airplane crashed Saturday, physicians said today.

Nieman was injured when his monocoque plane went into dive from 150 feet, crashing on the farm of Carl Reicken. Mrs. Nieman was a guest of the Reickers and witnessed the accident.

Nieman was testing out a new set of wings for the plane which had recently been attached.

Postmaster Combined His Duties with Bootlegging

Fergus Falls, Minn., June 2.—(U.P.)—Farmers who came to Holdingford to get their mail could also purchase a few quarts of liquor from Postmaster Albert J. Schroeder or his assistant, George W. Troxell, it was revealed in federal court today.

Schroeder was sentenced to 18 months in federal prison at Leavenworth, Kan., for combining his postal duties with bootlegging and Troxell was given a suspended sentence on a plea that he was forced to peddle alcohol to hold his job.

OLD FASHIONED ALL DAY SUCKER STILL IS POPULAR CANDY

Chicago, June 2.—(U.P.)—The old fashioned all day sucker still is America's most popular candy, according to reports today of 300 manufacturers at the 48th annual National Confectioners' association convention.

Meeting the sucker demand is one of the chief concerns of the candy industry. E. E. Cahoon, manufacturer, said. Machines have now been invented that turn out 400 suckers a minute, 192,000 a day, and 1,152,000 suckers a week.

It was estimated that if 100 seven-year-old children began licking one-day's production of one of the machines they would be more than 34 years old when they finished.

MILITARY POLICE FIND 16 YEAR OLD MARGRET BOYERS

MISSING 36 HOURS, DAZED AFTER BEING THROWN FROM HER HORSE

"WHISKEY" WAS A FAMOUS JUMPER AND CALLED A "BAD HORSE"

Fort Snelling, Minn., June 2.—(U.P.)—Military police today found Margaret Boyers, 16, daughter of Captain and Mrs. James A. Boyers, after she had been missing for 36 hours.

She was wandering northwest of the army reservation in a dazed condition when found by the patrol which was part of a group of 1,000 officers and enlisted men in the third infantry which were ordered to search for the girl by Colonel David L. Stone, commandant of the reservation.

The girl was unable to explain the accident which threw her from Whiskey, famous jumper which had won numerous cups in northwest horse shows. The animal was called a "bad horse" and the girl was thrown and knocked unconscious.

She left Fort Snelling at 2:30 p. m. Sunday to go riding. At 5 p. m. the animal returned with its reins dragging. Miss Boyers was missing. Her family at first thought she might have stayed at the home of a friend since the animal had not fallen nor was it perspiring.

Miss Boyers said all she remembered was that the horse stumbled and fell, throwing her to the ground. When found, the young woman was taken to the quarters of Colonel Stone for treatment and then removed to her parents' quarters to recuperate.

ONE MAN KILLED, ONE WOUNDED IN FIGHT AT SEA

San Pedro, Calif., June 2.—(U.P.)—One man was killed and another wounded in a running fight at sea between the gun runner Diatone and the coast guard cutter Arrow, it was announced today on the arrival of the cutter here with the liquor craft in tow.

William K. Milligan, 22, of Wilmington, was killed in the fight while D. C. Clark, captain of the Diatone, received an eye injury.

Clark and another member of the crew, Walter "Red" Moore, were placed under arrest and will be turned over to federal authorities, coast guard officials stated.

Clark and another member of the crew, Walter "Red" Moore, were placed under arrest and will be turned over to federal authorities, coast guard officials stated.

New Page Written in the History of St. Lawrence Shipping

Quebec, June 2.—(U.P.)—A new page was written in the history of St. Lawrence shipping when the Empress of Britain, newest, largest and fastest liner in the Canadian Pacific fleet, glided into the new wharf at Wolfe's Cove, above Quebec, last night, 5 days, 12 hours and 25 minutes after she had left Southampton.

Douglas Fairbanks, noted film star, accompanied by his wife, Mary Pickford, disembarked and proceeded to Vancouver, enroute to San Francisco and Los Angeles.

Dollar Liner President Jefferson Goes Aground

San Francisco, June 2.—(U.P.)—The Dollar liner President Jefferson grounded on a mud flat at the mouth of the Wangpoo river near Shanghai today but it was able to pull off later without damage, officials of the company said. The ship then proceeded to Shanghai.

Gov. Pinchot Declares Powerful Combine of Public Utilities Threatens Peoples' Regime

DELIVERS TALK BEFORE GOVERNORS IN CONFERENCE

SAY 90 PER CENT OF ELECTRIC POWER CONTROLLED BY 4 MAJOR INTERESTS

WORK TOGETHER UNDER COMMON POLICY TO "MILK THE PUBLIC"

French Lick, Ind., June 2.—(U.P.)—The powerful combine of public utilities threatens to undermine government by the people, Governor Gifford Pinchot, Pennsylvania, charged today in an address delivered before governors of the United States in conference here.

About 90 per cent of the electric power generated in the nation is under the domination and control of four major interests, which work together under a common policy and toward a common end—"milking the public," he said.

The utilities speech was substituted by Pinchot for an address on "Timber Needs of the Future," a topic assigned him by the executive committee of the conference which had agreed that controversial matters would be banned from discussion.

"The power of public utilities is manifest in every political assembly, from the congress of the United States to the smallest town meeting," Pinchot said.

"The political power of the utilities is the direct result of the failure to regulate them on one hand, and of their almost incredible expansion on the other.

"Beginning less than two generations ago with nothing, the electric industry today has an investment of nearly twelve billion dollars. It ranks fourth or fifth among all our industries in invested capital.

"Electric consolidation has gone so far that a single group controls, directly or indirectly, over one-half the electricity generated in the United States.

"I have no desire to be unjust to the utilities. A square deal, however, does not require or include the unbridled power to make such profits as they please, to control public service commissions that might impede their march to commercial dominance, nor to own and operate such political organizations necessary to perpetuate their graft.

"I call it graft. And I am well within my right. Through overcharges in rates, throughout the United States, the public utilities are collecting each year a sum estimated at five hundred million dollars."

In another departure from his assigned topic, Governor Franklin D. Roosevelt of New York called upon the United States government to do what it can to overcome depression and submitted a four-point plan for meeting what he termed the new economic and social balance.

Governor Roosevelt outlined his four point plan to combat depression by declaring that changes in highly urbanized civilization are necessary and suggesting:

1. "Scientific tariff aimed primarily to create a movement of world commodities from one nation to another."

2. "A better system of national taxation."

3. "A plan to cut excessive cost of local government."

4. "Extension of insurance to cover fields of sickness and unemployment."

Rebels Blow Up Bridge and Wreck Mail Train Near Rangoon, Burma

Rangoon, Burma, June 2.—(U.P.)—Rebels blew up a bridge between Rangoon and Mandalay today, causing the wreck of a mail train express. The incident was one of several outbreaks in the vicinity in recent weeks.

CATHOLIC CHURCH, FASCIST STATE IN CRITICAL CLASH

MUSSOLINI REGIME FEARS RISING POLITICAL INFLUENCE OF THE CHURCH

DEMANDS LAY CATHOLIC ORGANIZATION SHOULD CEASE TO EXIST "AS A WHOLE"

By THOMAS B. MORGAN

Rome, June 2.—The struggle between the Catholic church and the Fascist state reached a critical stage today.

The government headed by Premier Benito Mussolini apparently fearing the rising political influence of the church, submitted a "maximum demand" whereby the Azione Cattolica, lay Catholic organization, would cease to exist "as a whole."

Rejection of the demand by the vatican was regarded likely. The government's next step, it was believed, would be to request that leaders of the Azione should be chosen after a thorough investigation as to their political fitness, with final approval by the government.

The Azione Cattolica already has been restricted throughout Italy under orders from Premier Mussolini. The organization, one of the most powerful Catholic bodies in the world, has been the center of the controversy between the Fascists and the Holy See.

The government's demands aimed at the extermination of the Azione Cattolica followed a day in which a tendency toward compromise had given rise to a feeling that the difficulties would be solved peacefully. Among the developments were:

1. A government intimation that Catholic young men's clubs, including the Knights of Columbus playgrounds, would be permitted to re-open.

2. Mussolini's order that anti-Catholic demonstration of Fascist youths should be abandoned.

3. Mussolini's order that the Fascist newspaper, Lavoro Fascista, discontinue attacks on the pope.

4. Pope Pius' order that the Vatican organ, Osservatore Romano, cease attacks on Fascism.

These moves toward compromise were seen as indicating both Mussolini and the pope were bent on reaching a peaceful solution of the attacks and counter-attacks among Fascists and Catholics, one against the other.

commodities from one nation to another."

2. "A better system of national taxation."

3. "A plan to cut excessive cost of local government."

4. "Extension of insurance to cover fields of sickness and unemployment."

STATE HIGHWAY BUILDING PLANS ARE AFFECTED

NEW YORK BOND ATTORNEYS QUESTION LEGAL LIMIT OF SECURITIES ISSUED

TEST CASE WILL BE PREPARED IMMEDIATELY TO TAKE UP THE RULING

St. Paul, Minn., June 2.—(U.P.)—Minnesota's highway building program was virtually cancelled today by an opinion from New York bond attorneys holding that the legal limit of securities that can be issued this year is \$2,000,000.

A test case will be prepared immediately, Attorney General Henry N. Benson announced. If the attorneys' ruling is sustained it will mean that the \$15,400,000 bonds authorized by the legislature for road work this year will be cancelled.

The opinion was written by Thompson, Wood and Hoffman, New York bond attorneys with whom Minnesota officials were negotiating for the floating of their highway construction bond issue.

In November, 1930, an issue of state securities to retire \$9,000,000 worth of county bonds was made. Of this money, only \$1,000,000 was paid off in 1930, the remainder being held over to retire bonds reaching maturity this year.

Benson held that because the bonds were issued in 1930 they were properly chargeable to that year's limitations.

The New York firm ruled that since the proceeds of the bonds were to be put to use this year, the amount must be charged to the 1931 limit, leaving but a \$2,000,000 balance under the legislative acts and the state constitution.

State officials said that even if a test case were started, it could not be decided in time to carry out the intended program this year.

In the meantime the highway department was confronted with contracts already let to total \$1,000,000 whose cost, it was expected, would be met out of the bond issue.

Benson, Highway Commissioner C. M. Babcock and W. H. Gurnee, deputy attorney general, will leave for New York tonight to confer with the attorneys.

Under an act approved by the 1929 legislature, issuance of securities in the years 1930, 1931 and 1932 to repay counties for highway work was authorized and a limit of \$1,000,000 was placed upon such disbursements in 1930. For the latter two years no limit except the \$1,000,000 limitation placed by the state constitution, was imposed.

INJURED BOY 115 HOURS IN COMA

Valley City, N. D., June 2.—(U.P.)—Recovery of Harold Heinze, 12, Tower City, was predicted by physicians today as the boy regained consciousness after 115 hours in a coma.

Heinze was injured when he failed to dodge for a low bridge as the truck he was riding upon passed under. Physicians said the boy's skull was fractured.

The accident occurred last Friday.

WILLMAR VOTING ON QUESTION OF HAVING SUNDAY MOVIES

Willmar, Minn., June 2.—(U.P.)—Voters will go to the polls today to decide whether Willmar shall have motion pictures on Sunday after more than a year's controversy over the question.

The question will be put to voters in one ballot and polls will be open from 6:30 a. m. to 8 p. m. The special election was called in the hope of untangling the Sunday motion pictures question.

Several changes in polling places will be inaugurated in the special election, officials said.

MAN ALLEGED TO BE PERRY TO FACE CHARGES

DENIES HE IS THE SO-CALLED "MARRYING MILWAUKEE BRAKEMAN"

IS CHARGED WITH MURDERING CORA BELLE HACKETT AT LAC DU FLAMBEAU

San Francisco, June 2.—(U.P.)—A man alleged to be George W. E. Perry, the "marrying Milwaukee brakeman," but who claims he is Frank J. Moran, was enroute today to Wisconsin to face charges of murdering Cora Belle Hackett at Lac Du Flambeau.

Before leaving with Wisconsin officers, the suspect said goodbye to his bride of three months, the former Anna Gutierrez. She told authorities she believed him innocent, but refused to mortgage her property so that he might fight extradition.

The man left San Francisco last night a few hours after Governor Jas. Rolph Jr. of California signed the extradition papers.

Perry is wanted on a charge of killing one of five wives he was alleged to have married within a few months of each other. Mrs. Hackett-Perry was shot to death in July, 1930.

The man arrested here denied any connection with the crime and told persons who assertedly identified him as Perry that they had "made a mistake."

FALL FAMILY IS UNDECIDED ON ACTION TO TAKE

U. S. SUPREME COURT REFUSES TO REVIEW TRIAL AND CONVICTION OF FALL

FORMER OFFICIALS' HEALTH HAS FAILED FAST SINCE HE WAS CONVICTED

El Paso, Texas, June 2.—(U.P.)—Members of Albert B. Fall's family indicated today they would leave to their attorney, Frank J. Hogan, the decision as to what action would be taken regarding refusal of the United States supreme court to review the trial and conviction of the former secretary of interior.

Neither Fall, Hogan, nor any member of the Fall family would comment on what course would be followed, but it was believed that application would be made either for a presidential pardon or a suspended sentence.

Fall's health has failed rapidly since his conviction of accepting a \$100,000 bribe in connection with granting naval oil leases while he was secretary of interior in the Harding administration. He was sentenced a year in prison and fined \$100,000.

News that the review was denied was a severe shock to him and his family. His daughter, Mrs. C. C. Chase, fainted when she heard it. Fall was bitter.

"They are trying to kill us all—but they won't kill me," she said grimly. Fall was asleep in a darkened room when the news came. He did not comment.

CANADIAN STEAMER CORNWALLIS AGROUND NEAR PORT HOOD

Aboard S. S. America, at Sea, June 2.—(U.P.)—The Canadian steamer Cornwallis went aground near Port Hood, Nova Scotia, today.

Distress signals were sent out at 9:10 a. m. Greenwich mean time (1:10 a. m. central standard time). The Cornwallis was reported refloated at 10:22 a. m. GMT (2:22 a. m. CST). The forepeak was reported full of water but the ship was believed in no immediate danger.

DEFINITE ROUTE THROUGH CITY IS FIXED BY STATE

ACTUAL PAVING MAY NOT START UNTIL NEXT SPRING; BRIDGE PLANS PUSHED

HIGHWAY WILL RUN DIAGONALLY THROUGH BLOCK 36; CITY APPROVES ROUTE

With the contract for grading of nine and nine-tenths miles to be awarded at St. Paul today, the State Highway Department advanced plans for an early start of construction work for the relocation of Trunk Highway No. 2 as affecting Brainerd.

Definite location of the highway through the city was established last evening when the city council approved the route as presented by Carl O. Harholdt, division engineer, and H. D. Sorenson, resident engineer of the Minnesota Highway Department.

This route stands today as the definite relocation of the highway leading into and out of the city, primarily established to avoid as many grade crossings as possible and to construct a serviceable bridge to meet the requirements of traffic on Highway No. 2 together with that on No. 19 as fed by Highway No. 27.

The project begins at a point about 500 feet west of the city limits, then continues along Richard Street to the Mississippi river where a crossing will be provided coincident with the center line of Main Street, thence along Main Street to North Tenth Street, thence diagonally through Block 36 in a northeasterly direction, thence along the fill and A Street to Fifth Avenue N. E., thence in a northeasterly direction until it intersects H Street near the entrance to Lum Park, thence east along present road one-quarter of a mile where it turns northeasterly towards Ironton, linking the present highway four miles west of Ironton.

The grading will start promptly inasmuch as contractors who are bidding on the work are prepared with their equipment to begin immediately.

Preliminary work will be done outside the city and when preparations are made for paving, the city council will doubtless work in conjunction with the highway department in paving the route through Brainerd.

The state will stand the expense of 20 feet of paving through the city, property owners affected and the city to be assessed for their share of additional paving. Under present conditions the approximate cost for 50 foot frontage on Main Street will amount to \$125 to the property owner.

It is unlikely that actual paving will start before the spring of 1932.

The possibility exists that the State Highway Department will award the contract for the construction of the new bridge this fall.

The highway engineers expressed the hope that a concrete construction would be erected, similar to the one now spanning the Mississippi at Anoka.

In passing through Block 36 of the city there is a possibility that three buildings may be vacated to provide right of way. Additional right of way will be asked of the N. P. along the shop fence at A Street, making that a 45-foot street.

The city council assumed the responsibility of the establishment of the grade through the city similar to a grade established by the city itself.

Construction of the bridge will require actual working time of about eight months while a similar time will be needed for grading and paving.

In West Brainerd, Richard Street is to be widened to 100 feet, 20 feet wider than its present width. This widening affects the south side of the street only.

Future plans of the highway department indicate that there will be a grade separation at the M. & I. track a mile west of the city near the Brainerd Country Club.

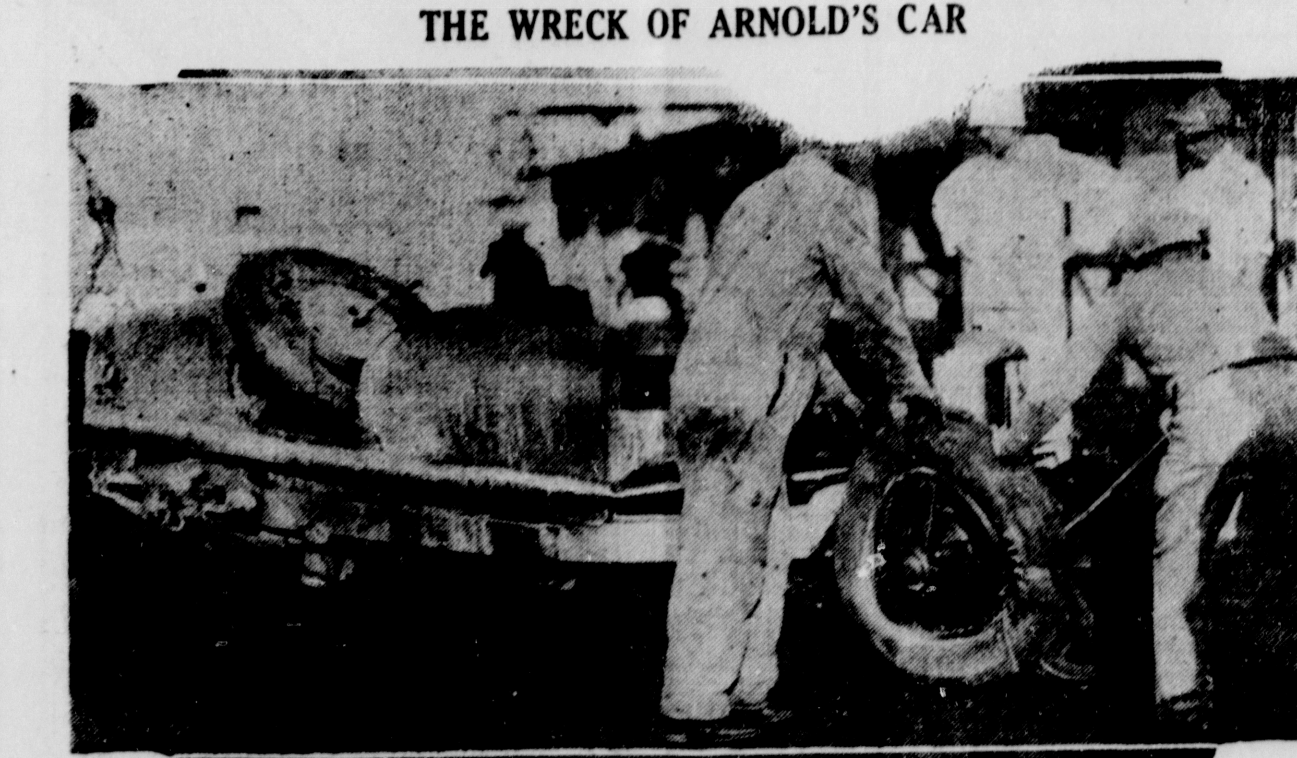

Approximately three miles of paving, beginning west of the city and ending at Lum Park will be added to city paving as a result of the new highway.

Until some future plan is reached, Trunk Highway No. 27 will be established on Sixth Street crossing the Northern Pacific tracks and ending at Highway No. 2 at Main and Sixth Streets.

The railway company will be asked to rearrange manner of switching and train movement to lessen traffic congestion at the crossing.

Mr. Harholdt stated to the council that Mr. Sorenson will work at all times in conjunction with City Engineer R. T. Campbell during the progress of the highway within the city limits.

Mr. Sorenson's office has been established in the building used as a polling place at 409 Main Street. He has a staff of four men assisting him in laying out and measuring up the work during the construction period.

The wreck of Billy Arnold's Miller-Hartz Special, which crashed on a turn after leading the field for about 400 miles of the 500-mile event. Arnold suffered a fractured hip, bruises and burns. An 11-year-old boy was killed by a tire thrown by the car.

Mr. and Mrs. Wm. Molstad and son have returned to their home at St. Paul after visiting with his mother, Mrs. Jens Molstad, over the week-end. They were accompanied by Nels and Selma Molstad of Minneapolis.

Miss Beatrice Dufort of Little Falls is spending a few days with her sister, Mrs. Carl Olson here. Frank Dufort, who accompanied his daughter here, spent the week end in the city, returning to Little Falls Sunday evening.

Miss Winifred Small returned yesterday afternoon from a two weeks' motor tour in the east. She accompanied Dr. and Mrs. C. R. Clark from Youngstown, O., to Virginia and other points. Mrs. Clark and Miss Small are sisters.

Mrs. Ida Hagberg and daughter Norma and son Russel and Miss Idah Kerstein motored to Frazee Sunday for a short visit with friends. Mr. and Mrs. C. E. Nelson, who had been visiting at the home of Mrs. Nelson's parents, Mr. and Mrs. Fred Kretschmar, returned to Brainerd with them Sunday evening.

Memorial Day guests at the Russell Cass home who also attended the graduation exercises Saturday evening were Mr. and Mrs. Wm. Espenson and daughter Louise of Frazee; Mrs. J. W. Burfield of Lake City, mother of Mrs. Cass, and Mrs. Anna B. Johnson and daughter, Miss Eunice, and W. B. Toodmar of St. Paul.

Mr. and Mrs. Elmer Erickson and sons, Wayne and Dean, left yesterday for their home at Iron Mountain, Mich. They spent the holidays in Brainerd, visiting at the homes of Mr. and Mrs. C. C. Rapp of Northeast and Mr. and Mrs. William Cossette, Slipp block. They also visited with his father at South Long Lake.

George W. Mahood has returned from Rochester where he underwent a serious operation about two weeks ago. He is reported now as getting along very well. The operation, which was for the tri-facial trigeminal nerve, was performed by Dr. Adson, brain specialist at the Mayo hospital. Mr. Mahood has been ailing for the past three years.

Mr. and Mrs. J. C. Hamilton of Duluth arrived in the city Saturday evening, guests at the home of her parents, Mr. and Mrs. John Nelson, 309 Quince street. Sunday morning, together with Mr. and Mrs. Nelson, Miss Katherine Dugan and Richard Anderson they motored to St. Cloud where they met Mr. and Mrs. D. R. Collins of Minneapolis. They spent the day together, enjoying a picnic dinner.

Wedded in West

Mr. and Mrs. Pat Caulfield have returned from Seattle, Wash. Mrs. Caulfield was formerly Mrs. Gladys Stein, their marriage taking place the latter part of May at Seattle.

Mr. Caulfield is employed at the Northern Pacific shops.

VACATION BIBLE SCHOOL

Good Interest Shown and Attendance Revealed at Methodist School

The Daily Vacation Bible school of the M. E. church started Monday morning with good interest shown and a good attendance.

Miss Helen Runberg is superintendent of the junior department, with Miss Vivian Foster assisting. Miss Gladys Zander is assisting with handwork, and Miss Jean Cibazar is in charge of the music.

In the primary department, Mrs. Alta Holden is superintendent, Miss Orma Cochran assisting with the handwork. Malcolm Lammon is in charge of recreation for both groups.

There is still time for any boys or girls six to 13 years of age to enroll. Parents are asked to take advantage of this opportunity for religious instruction for their children.

The daily vacation Bible school will continue each morning from 9 to 12 o'clock except Saturdays, for the next two weeks.

Swedish Bethany Church

Rev. Albert Lundberg of Thief River Falls will not speak tonight at the Swedish Bethany church as announced Sunday. The young people's Bible study and prayer meeting will be held at 7:45 p. m. as usual.

Baptist Mission Ladies Aid

The Baptist mission ladies aid will be entertained by Mrs. Lee Whirley at her home, 1504 13th avenue Northeast, Wednesday afternoon of this week. Members are urged to be present. Visitors are cordially invited.

Methodist Church Board

The official board of the Methodist church will meet Wednesday at 7:30 o'clock at the church in parlor A. All officers are urged to be present as there is important business to consider.

Gets Gas, Oil for Car

The city council last evening voted Fire Chief Frank W. Fuller expense money of \$15 a month for gasoline and oil in the use of his car on official duty.

To Get Grading Estimate

An estimate of expense for the grading of Vine street from Park street to South 6th street and on Park street from Vine street south to the south end of Park street will be given the city council by City Engineer R. T. Campbell, June 15.

A petition for such grading was presented by Alderman Wm. Coyne at last evening's meeting.

George J. Smith Rites

Funeral services for George J. Smith will be conducted from the Evangelical church, Northeast, Wednesday at 2:30 p. m. Mr. Smith, 75 years old, had been a member of Evangelical church since he was 12 years old.

STARVED...

a second wife's tragedy!

BORN and reared on a farm—deprived of companions—Ellen was thirty—when Jim Baker came from the city for rest—came like Prince Charming into her lonely, barren life.

So tired—so worried—she looked. And yet so strikingly handsome—for all his forty odd years. Small wonder Ellen thrilled. Here at last was a man—needing her care—maybe her love!

With warm-hearted kindness—she brought peace to his troubled mind—and a glowing light into his eyes. Anxiously, she waited—prayed for him to speak—to ask for the love she was frantic to give.

He did speak—but not the words she wanted to hear. "I'm a widower," he said. "My children—they need a mother." "Oh!" Ellen choked—dejected. "But," he cried—"You're so good—I—I—need you too."

Her last chance for happiness—Ellen consented. Off to the city she went—not to a bride's nest—a home she had dreamed of planning—building herself. But to a long-established dwelling—where every piece of furniture—certain—carpet—where everything was a phantom of another woman!

Bravely, she sought to win the love of those children—modern rebels who resented her presence. Soon Jim ran back to his old friends—leaving her alone—for nights—for weeks at a time.

Bitterness crept into her heart. Then came the terrible night—Jim

gone—the youngest child sick—the other two out—galavanting around. Starved for love that Fate had seemed to deny her—she sobbed in defeat—decided to leave—forever—WHEN—

Almost without warning—a climax broke into Ellen's life... a tremendous climax that brought those children home—crying into her arms—glad to call her "mother." A thunderous climax that shook Jim's very soul—brought him to her—asking forgiveness—begging for the noblest love that woman holds for man.

You must read for yourself THE WOMAN MY FATHER MARRIED—the true life story of how happiness came to this heart-broken woman in one of the most startling climaxes ever recorded in all the annals of human experience. You will find this story—complete in July TRUE STORY MAGAZINE. Get your copy—read it today.

T. B. Brusegaard, at one time in the lumber yard business in Brainerd, and now a resident of Seattle, is visiting in Brainerd.

Mr. and Mrs. I. T. Eddy of this city and Mr. and Mrs. W. T. Reid of St.

The Weather

Minnesota—Probably local showers or thunder storms tonight or Wednesday; warmer tonight in extreme east and extreme north portions and along Lake Superior Wednesday; cooler Wednesday in west-central portions.

June 1.—High 80, low 55. In evening 74. Cloudy. Southeast wind. Rain. Precipitation 0.02 inch.

June 2.—Minimum last night 55. At 8 A. M. 67. Clear. Southeast wind.

BULLETIN BOARD

TONIGHT
Ascalon Commandry No. 16, Knights Templar—Masonic hall.
Degree of Honor—Iron Exchange hall.

Knights of Columbus—K. C. hall.
Royal Neighbors—I. O. O. F. hall.
Brainerd Municipal band practice—Farmers room, court house.

Women's Benefit Association—Moose hall.
Hose Co. No. 2—Central station.

Spent the week end with relatives in the Twin Cities.

Mr. and Mrs. F. E. Randolph of Minneapolis visited at the home of her parents, Mr. and Mrs. B. O. Samuelson, over Sunday.

Mr. and Mrs. W. F. Dieckhaus left Sunday morning for Beardstown, Ill., where they will spend more time visiting with relatives.

Miss Lois White, University of Minnesota student, spent the week end in Brainerd, a guest at the home of Mr. and Mrs. W. H. Cook.

Mr. and Mrs. Raymond E. Kane spent the week-end at the home of Mrs. Kane's mother at Minneapolis. They returned Monday.

Mr. and Mrs. Arthur T. Anderson and family returned to their home at Cokato after spending the holidays in Brainerd with relatives.

Mr. and Mrs. R. R. Kriesel of St. Paul were week-end guests of Mr. and Mrs. R. D. Conklin. They returned to the city Monday evening.

Mr. and Mrs. Marshall Fahey and son John of St. Paul have returned to their home after visiting with Mrs. Anna Smith over the holidays.

Mr. and Mrs. Ole Skillestad returned this morning from Lake Preston, S. D., where they visited at the home of his mother over the week end.

Miss Mae Johnson of Minneapolis spent the week end in Brainerd, a guest at the home of Mr. and Mrs. W. H. Cleary, 511 North Fifth street.

Mr. and Mrs. R. W. Bush and daughter, Lois, 909 First Street, spent the week-end at Bemidji as guests at the home of Mr. and Mrs. A. E. Ellison.

Fred Zulick was fined \$2 in municipal court this morning for failing to come to a full stop at the intersection of Kingwood Street on Eighth Street.

Fay Lewis and the Misses Sarah and Onalee Lewis and the Misses Fox were guests Sunday at the home of Rev. and Mrs. M. E. Milne at Little Falls.

C. J. Cook of St. Paul is spending a few days visiting at the home of his brother and sister-in-law, Mr. and Mrs. W. H. Cook, South Sixth street.

Miss Marcella Goedderz, who has been teaching at Big Falls the past year arrived in the city to spend her vacation in the city with her parents.

Mr. and Mrs. Frank Riley and

daughter Margaret of Detroit Lakes visited at the H. P. Dunn home, 323 North Third street over the week end.

Mrs. Maud Whitney of New York City and Mr. and Mrs. Harry Whitney of Minneapolis were guests over the week end at the Al. G. Schnell home.

Mrs. A. W. Holmes of St. Paul and Mrs. Inga Grahm of Minneapolis visited at the home of Mrs. Grahm's daughter, Mrs. F. W. Rosel over the week end.

Miss Abbie Bachelder of Minneapolis spent the week end visiting in Brainerd with her parents, Mr. and Mrs. J. A. Bachelder, 209½ South Seventh street.

Mr. and Mrs. Gust Tressman and family of St. Paul spent the week end in Brainerd visiting at the home of her mother Mrs. Minnie Carlson, 614½ Maple street.

Anson Ryan has returned to his home at Great Falls, Mont., after visiting in the city for the past month with Mr. and Mrs. Ernest Butler of the Ransford hotel.

I. O. O. F. NOTICE—First degree, Wednesday, June 3, Lunch. 1tp

Mr. and Mrs. George Rappel of Hinckley, former residents of the city, have returned to their home after visiting here at the home of their daughter, Mrs. Joe Rasch.

Alan L. Ginsburg and a party of friends, all of St. Paul, returned yesterday after spending the week end in the city, guests of his parents, Mr. and Mrs. I. Ginsburg, Juel block.

Frank Kane, brother of Raymond E. Kane, Naval Recruiter, spent the week-end in Brainerd, getting his cottage ready on Gull lake. He will move here for the summer on June 15.

Miss Elvia Benson returned Sunday evening to Minneapolis where she is employed after spending Decoration Day and Sunday with her mother, Mrs. Hannah Benson, 718 South Fifth street.

Mr. and Mrs. J. Westerlund, accompanied by John Holten and son Lloyd, all of Two Harbors, visited over the holidays at the home of Mr. and Mrs. Ragnar Westerlund, 323 Second avenue Northeast.

K. of C. Regular Meeting June 2 will be held Thursday, June 4. There is one important matter to be disposed of. 306f3

Mr. and Mrs. Claus Meyer and daughter Vernell and Emery and Beatrice Hoefft of Lake City are spending a few days in the city, guests at the home of their cousins, Mr. and Mrs. Russell Cass.

Mr. and Mrs. Young of Bertha visited friends in the city over the week end, and also attended commencement exercises. Their daughter, Frances, a

graduate of the Brainerd high school accompanied them home.

Mrs. E. L. Magham has returned to her home at Little Falls after spending a few days in the city. She was here for the high school commencement exercises, her daughter Miss Marion, being one of the graduates.

Specials for Tomorrow Only: Rye, white and whole wheat bread, 1½ lb. loaf, 8c; raisin white, sweet rye and Dixie health bread, 1½ lb. loaf, 10c. Swedish rye, 1 lb. loaf 6c. Soneson's Pastry Shops.

Mr. and Mrs. Wm. Molstad and son have returned to their home at St. Paul after visiting with his mother, Mrs. Jens Molstad, over the week-end. They were accompanied by Nels and Selma Molstad of Minneapolis.

Miss Beatrice Dufort of Little Falls is spending a few days with her sister, Mrs. Carl Olson here. Frank Dufort, who accompanied his daughter here, spent the week end in the city, returning to Little Falls Sunday evening.

Miss Winifred Small returned yesterday afternoon from a two weeks' motor tour in the east. She accompanied Dr. and Mrs. C. R. Clark from Youngstown, O., to Virginia and other points. Mrs. Clark and Miss Small are sisters.

Mrs. Ida Hagberg and daughter Norma and son Russell and Miss Ida Kerstein motored to Frazee Sunday for a short visit with friends. Mr. and Mrs. C. E. Nelson, who had been visiting at the home of Mrs. Nelson's parents, Mr. and Mrs. Fred Kretschmar, returned to Brainerd with them Sunday evening.

Memorial Day guests at the Russell Cass home who also attended the graduation exercises Saturday evening were Mr. and Mrs. Wm. Espenson and daughter Louise of Frazee; Mrs. J. W. Burfield of Lake City, mother of Mrs. Cass, and Mrs. Anna B. Johnson and daughter, Miss Eunice, and W. B. Toommar of St. Paul.

Mr. and Mrs. Elmer Erickson and sons, Wayne and Dean, left yesterday for their home at Iron Mountain, Mich. They spent the holidays in Brainerd, visiting at the homes of Mr. and Mrs. C. C. Rappel of Northeast and Mr. and Mrs. William Cossette, Slipp block. They also visited with his father at South Long Lake.

George W. Mahood has returned from Rochester where he underwent a serious operation about two weeks ago. He is reported now as getting along very well. The operation, which was for the tri-facial trigeminal nerve, was performed by Dr. Adson, brain specialist at the Mayo hospital. Mr. Mahood has been ailing for the past three years.

Mr. and Mrs. J. C. Hamilton of Duluth arrived in the city Saturday evening, guests at the home of her parents, Mr. and Mrs. John Nelson, 309 Quince street. Sunday morning, together with Mr. and Mrs. Nelson, Miss Katherine Dugan and Richard Anderson they motored to St. Cloud where they met Mr. and Mrs. D. R. Collins of Minneapolis. They spent the day together, enjoying a picnic dinner.

VACATION BIBLE SCHOOL

Good Interest Shown and Attendance Revealed at Methodist School

The Daily Vacation Bible school of the M. E. church started Monday morning with good interest shown and a good attendance.

Miss Helen Runberg is superintendent of the junior department, with Miss Vivian Foster assisting. Miss Gladys Zander is assisting with handwork, and Miss Jean Cibuzar is in charge of the music.

In the primary department, Mrs. Alta Holden is superintendent, Miss Orma Cochrane assisting with the handwork. Malcolm Lammon is in charge of recreation for both groups.

There is still time for any boys or girls six to 13 years of age to enroll. Parents are asked to take advantage of this opportunity for religious instruction for their children.

The daily vacation Bible school will continue each morning from 9 to 12 o'clock except Saturdays, for the next two weeks.

Swedish Bethany Church

Rev. Albert Lundborg of Thief River Falls will not speak tonight at the Swedish Bethany church as announced Sunday. The young people's Bible study and prayer meeting will be held at 7:45 p. m. as usual.

Baptist Mission Ladies Aid

The Baptist mission ladies aid will be entertained by Mrs. Lee Whitley at her home, 1504 13th avenue Northeast, Wednesday afternoon of this week. Members are urged to be present. Visitors are cordially invited.

Methodist Church Board

The official board of the Methodist church will meet Wednesday at 7:30 o'clock at the church in parlor A. All officers are urged to be present as there is important business to consider.

Gets Gas, Oil for Car

The city council last evening voted Fire Chief Frank W. Fuller expense money of \$15 a month for gasoline and oil in the use of his car on official duty.

To Get Grading Estimate

An estimate of expense for the grading of Vine street from Park street to South 6th street and on Park street from Vine street south to the south end of Park street will be given the city council by City Engineer R. T. Campbell, June 15.

A petition for such grading was presented by Alderman Wm. Coyne at last evening's meeting.

George J. Smith Rites

Funeral services for George J. Smith will be conducted from the Evangelical church, Northeast, Wednesday at 2:30 p. m. Mr. Smith, 75 years old, had been a member of Evangelical church since he was 12 years old.

STARVED...
a second wife's tragedy!

BORN and reared on a farm—deprived of companions—Ellen was thirty—when Jim Baker came from the city for rest—came like Prince Charming into her lonely, barren life.

So tired—so worried, he looked. And yet so strikingly handsome—for all his forty odd years. Small wonder Ellen thrilled. Here at last was a man—needing her care—maybe her love!

With warm-hearted kindness—she brought peace to his troubled mind—and a glowing light into his eyes. Anxiously, she waited—prayed for him to speak—to ask for the love she was frantic to give.

He did speak—but not the words she wanted to hear. "I'm a widower," he said. "My children—they need a mother." "Oh!" Ellen choked—dejected. "But," he cried—"You're so good—I—I need you too."

Her last chance for happiness—Ellen consented. Off to the city she went—not to a bride's nest—a home she had dreamed of planning—building herself. But to a long-established dwelling—where every piece of furniture—curtain—carpet—where everything was a phantom of another woman!

Bravely, she sought to win the love of those children—modern rebels who resented her presence. Soon Jim ran back to his old friends—leaving her alone—for nights—for weeks at a time.

Bitterness crept into her heart. Then came the terrible night—Jim

gone—the youngest child sick—the other two out—galavanting around. Starved for love that Fate had seemed to deny her—she sobbed in defeat—decided to leave—forever—WHEN—

Almost without warning—a climax broke into Ellen's life... A tremendous climax that brought those children home—crying into her arms—glad to call her "mother." A thunderous climax that shook Jim's very soul—brought him to her—asking forgiveness—begging for the noblest love that woman holds for man.

You must read for yourself THE WOMAN MY FATHER MARRIED—the true life story of how happiness came to this heart-broken woman in one of the most startling climaxes ever recorded in all the annals of human experience. You will find this story—complete in July TRUE STORY MAGAZINE. Get your copy—read it today.

BRAINERD HIGH SCHOOL, TUESDAY, JUNE 2, 1931

Number 35

123 SENIORS LEAVE SCHOOL AT THE COMMENCEMENT EXERCISES SATURDAY

DEAN JAMES C. LAWRENCE DELIVERS GRADUATING ADDRESS

Commencement exercises were held last Saturday evening in the high school auditorium. The auditorium was filled to its capacity with little standing room at the entrances when the curtain went up at eight o'clock.

Rev. A. G. Patterson pronounced the "Invocation" which was followed by a musical selection, "The Forest Rhapsody," sung by the girls' glee club.

Dean James C. Lawrence, a noted and able speaker of the University of Minnesota, gave a very interesting and well directed address for the occasion. The speech, entitled "The Next Five Years," contained much helpful advice and humor.

Dean Lawrence stated that school is like a spark gap where a necessary connection and co-operation between student and teacher is needed to make the system function to the best advantage. He especially expressed the fact that life after one enters the world is hard and one must work earnestly to enable oneself to overcome a hard-boiled world that sends out its challenge of "Show Me."

Parents try to extend the nursery walls into life, giving a harmful effect on those who are past that age and it makes it practically impossible for those surrounded by that frame to advance and keep going as they should. "Don't go into a paralyzed huddle; keep kicking," remarked Dean Lawrence, and he stated that success will be assured by doing today's job today. A girls' chorus then sang "Spring Time," by Newton, a well selected piece.

Miss Mary F. Tornstrom gave helpful advice to the Seniors and it was also a farewell to the graduates who are leaving our school and going out into the school of life.

The climax to the evening's program was the announcement of the honors due the graduates for their four year's work in the Brainerd High School. This part of the program was conducted by Miss Tornstrom, who announced the honors with very obvious pleasure. She stated that the people prominent in all school activities were honored on Honor Day, but that Commencement was strictly for those who merited mention for scholastic achievements. She wove into her remarks the outstanding points in Dean Lawrence's address and used them to show that she thought the students honored would be sure to carry out his precepts.

The valedictorian and salutatorian, Arden Miller and Jean Cass, were first asked to stand and accept the tribute offered them for the high rank achieved by them in four years' successful study.

The twelve honor graduates were, in addition to Arden and Jean: Bernice Steinfeldt, Alice Nolan, Evelyn Loom, Elizabeth Irvine, Evelyn Aune, Ray Wareing, Fay Rosina, Louise Clausen, Mary Hawkins and Ruth Fallquist.

The National Honor Society to which none may belong except those who rank high in scholarship and are adjudged by the teachers as persons high in scholarship, character, leadership and service, consisted of the following: Arden Miller, Jean Cass, Bernice Steinfeldt, Alice Nolan, Elizabeth Irvine, Ray Wareing, Fay Rosina, Louise Clausen, Mary Hawkins, Arlene Hagberg, Maleda Kleinschmidt, Helen Sheets, Kenneth Stimson, Darrold Wadsworth, Janet Kampmann, Rose Johnson, Marie Hoffbauer, Stuart Patterson, Vernon Marshall and Carl Holvick.

Special tribute was paid the class officers, who have led the class and carried on the work of the Seniors so successfully. They were Gerald Cass, president; Stuart Patterson, vice-president; Arline Hagberg, secretary; and Lyle Mayo, treasurer.

The work of getting out the Annual is a big business in itself, from the standpoints of organization, literature, art and finance. The general supervision of the book fell to Kenneth Stimson as managing editor; Marie Hoffbauer took charge of the literary sections; Alice Nolan organized and collected advertising, while George Irvine designed and executed all the art work.

Due tribute was paid Janet Kampmann as the first girl editor of the weekly Brainonian, and mention made of the zeal and ability shown in getting a group of volunteer students to publish every week an excellent newspaper.

The two chosen to represent the Tri-Hi and Hi-Y as outstanding examples of true christian character are Louise Clausen and Gerald Cass.

Those boys eligible to membership in the National Athletic Scholarship Society through having a high scholastic average and a letter in a major sport are: Stuart Patterson, Nathan Schuety, Ray Wareing, Vernon Marshall and Gerald Cass.

The first places in declamation in all three groups this year were held by Seniors: Bernice Steinfeldt in dramatics; Elizabeth Irvine in humor; and Stuart Patterson for oratory.

The medal for highest scholastic honors was given Arden Miller by County Attorney Arthur J. Sullivan. Arden replied with some appropriate remarks. The greatest honor awarded at Commencement is that of the Jos-

Alice Nolan, Gerald Cass Receive Awards

TO HAVE NAMES ENGRAVED ON THE CITIZENSHIP SHIELD

The Josten Citizenship Award is one of the greatest honors that can be bestowed upon a Senior. This year the two Seniors to receive the honor were Gerald Cass and Alice Nolan, who were voted as the most representative boy and girl in the Senior Class.

These two Seniors really earned the honor, for they have participated in some way in practically all of the High School activities during their four years in high school.

Gerald Cass is one of a very few who have held the office of class president for all four years. He is regarded as a leader and respected by all his class mates. He also has received the National Athletic Scholarship Society Awards along with four other Senior boys. His name appears on the Hi-Y service shield this year as the outstanding high school boy.

Alice Nolan has especially shown her skill in the field of athletics, being one of the outstanding feminine athletes of the school. Her scholarship average during her four years in high school was among the highest. She was a member of the Brainonian staff and during her last year was business manager of the annual.

The names of the people who have won the citizenship award for the five years that it has been given have been engraved on a beautiful shield which is to hang on the assembly wall. The cost of engraving was borne by this year's graduating class. The names that appear on this shield are: 1926—Gladys Holvick, Stewart Gile; 1927—Marguerite O'Brien, Raymond Anderson; 1928—Kathleen Early, Joseph Greener; 1929—Evodia Carlson, William McClenahan; 1930—Margaret Vadnais, Clarence Holden; 1931—Alice Nolan, Gerald Cass.

ten Citizenship medal, which went to Gerald Cass and Alice Nolan.

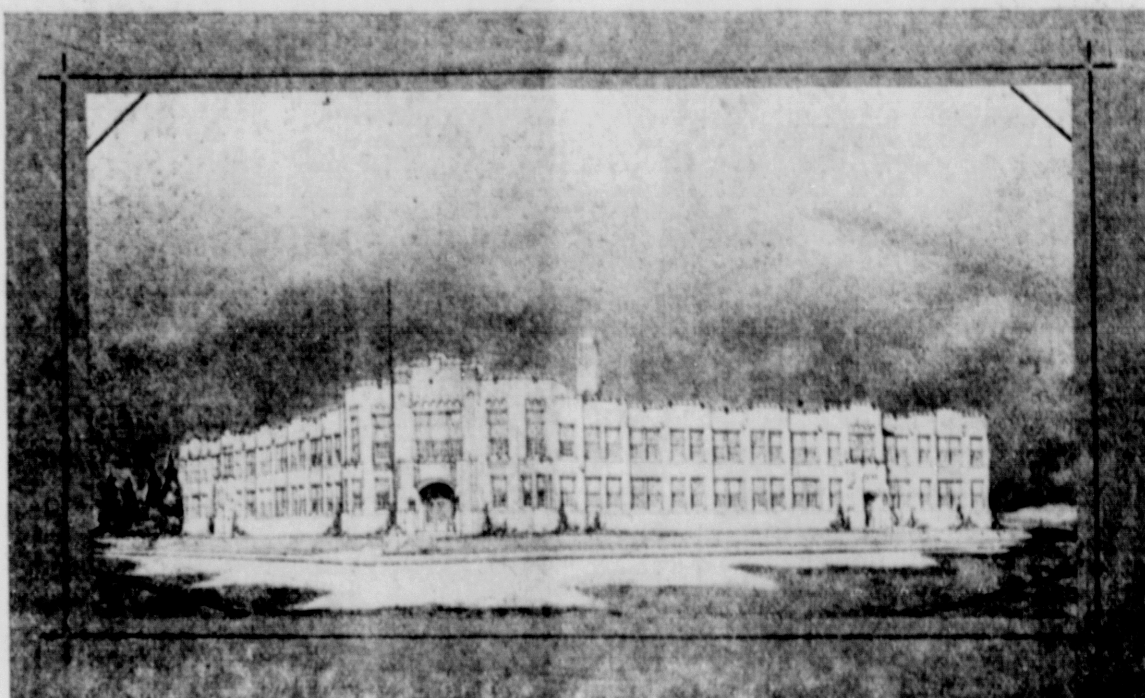

After this Mr. Cobb spoke briefly to the Seniors and to the audience of the value of an education, of the problems to be settled before a family decides that the student shall go to college, and made a plea for understanding of adolescent problems. He suggested that the greatest work the various parent-teachers organizations could do was to see that the people most interested in the growth of children—the parent and teacher—get together to discuss the various problems.

He stated that the qualities of leadership displayed by the Seniors were not a matter of sudden growth, but were evident at so tender an age as twelve, when they led delegations from the contest to win an automobile.

He expressed his hope that these students graduating from the high school would be at all times ardent and earnest supporters of public school systems and always reflect honor upon the school which educated them.

The evening ended with the class song and the benediction by Rev. Patterson.

Seniors Throw One Last Party Before Departing

The last dance of the year was held last Thursday night in the gymnasium. The Seniors, feeling that the year was not complete without one more dance, secured the services of Herb's Play

Boys to render the plaintive melodies for the dancers.

With the lights turned low and the decorations still retained from the Prom, everybody seemed in the right spirit and an informal attitude prevailed the entire evening. As usual the fun begins when the confetti makes its appearance. Amid the screams of the girls and the laughter of the boys,

many a handful disappeared down somebody's back or was gleefully rubbed in curly locks.

To cap the evening the Seniors had provided many ice cream bars, too many, in fact. There was abundant testimony that all had to be eaten and there are quite a few records that boast of six or seven of the bars.

'31 ANNUAL IS PROCLAIMED THE BEST YEAR BOOK PUBLISHED BY THE SCHOOL

SENIOR CLASS SONG

THE BLUE AND WHITE

Tune: "The Orange and the Black."
Every High School has its colors,
The colors they like best,
And the blue and white of Brainerd
We love more than the rest.
We have won so many victories,
Underneath the blue and white,
With the staunchest of our friends,
They will ever stand aright.

To the four long years in High School,
To the teachers we love most,
To the hours of work and pleasure,
We pledge our farewell toast.
And we will forever remember,
The days that have passed by,
As in our hearts we cherish,
Our dear old Brainerd High.

Although our hearts are saddened,
New honors lead us on,
Tomorrow they'll be saying,
Another class is gone.
We today bear duty calling
And as youth we must obey,
Goodbye, dear Brainerd High School,
Hope beckons us away.

ROSE M. JOHNSON.

ATHLETIC SEASON A GREAT SUCCESS

STIMULATED INTEREST SHOWN IN ALL SPORTS DURING PAST YEAR

Stimulation of interest in athletics was the object of the new coach coming to Brainerd.

Although the football team won only a small percentage of the games played, the season was a success as far as greater interest is concerned for all the equipment was issued at the opening of the year and most of it stayed through the season. The team played its best brand of football at the game with Crosby-Ironton even if they did lose; there is no disgrace in being defeated by a better team when they put up such a good fight.

Ten Seniors will be lost from the ranks of the football squad, including Captain Garvey, Moe Schuety, Hogan, Wareing, Patterson, Armstrong, Cass, Lukens, Guin and Brown.

The basketball season was the crowning feature of the whole athletic year. The team came out on top in thirty out of thirty-three encounters, winning the district tournament by defeating their old time rivals, Crosby-Ironton, and giving a heroic fight for the regional trophy against Moorhead, previous state champions, and losing by only one basket.

Besides the first team there is the hard plugging second team, who made a commendable record against their opponents. The junior high team also provided the preliminary games at the big encounters, winning every game by a large margin.

Here again in basketball the squad will feel keenly the loss of Captain Schuety, Marshall, Frank and Patterson.

In track the team made a fine showing, winning the Aitkin Invitational meet and placing second in the district meet, also taking fourth in the regional and sending five men to the state meet; Marshall in the discus hurling, Moe in the 440-yard dash, Hohman in the high jump, Wygle pole vaulting, and Captain Foster will heave the javelin. These boys are expected to make a fine mark at the meet held June 6 in Minneapolis.

Seniors who bid good-bye to the Brainerd high track squad are Moe, our 440 man who has yet to be defeated; Marshall, who will hurl the discus in the state meet, ending a brilliant career in three sports; Schuety who ran his last race Saturday in the regional at Moorhead, his age limit being reached May 27; and Malmstrom who also ran his last race Saturday, taking fourth in the half mile.

Interclass athletics took a big part in the year's activities, the Seniors winning the basketball pennant, while in kittenball the Juniors came off with first honors after a hard fought exciting battle with the Sophomores. The Senior class took the track pennant, showing that much good material is going to be lost through graduation.

This splendid athletic year was ended by a final gathering of all athletes at the athletic banquet at which the captains were chosen to pilot the teams of the coming year. No captain was chosen for football but Elmer Foster was chosen to captain the basketball team next year and our high jumper, Bill Hohman, was chosen to lead the track squad.

A very successful athletic year is expected beginning with football in the fall and not ceasing until the final race has been run in the last track meet. Many trophies are anticipated to fall in the case in the hall of old B. H. S.

MODERNISTIC TREND FOLLOWED IN BOOK; KENNETH STIMSON TO BE CONGRATULATED

As a fitting climax to the school year the 1931 annual was issued Friday at 2 o'clock. There was a mad rush for the two places where the annuals were being distributed as soon as the time was announced. Seniors shoved Freshmen and Juniors in the mad scramble to get the best annual that has ever been put out by the high school.

Resplendent in its new colorful covering the book caused many "Oh's" and "Ah's" from the student body. The design of the book is along modernistic lines which we understand is something new in the way of year books and we can recommend it to any school which wishes to follow the plan.

The art work in the new book is something to marvel at and George Irvine is to be congratulated on the manner in which he handled the pen in the making of the drawings for the book.

The feature articles are on a very high plan and bring the book up to a par of any high school annual in the state.

The outstanding feature articles were the Class Will, Prophecy and History. The Will was well written by Mildred Johnson. Nothing has been left out which might concern the transfer of gifts to the desolate underclassmen. Bernice Steinfeldt envisioned the activities of those same members in the distant future when all had decided what they would do in life. The history, which recounted the activities of the class for four years, was written by Mary Hawkins.

MANY SENIORS PLAN TO ENTER COLLEGES

During the graduation program Mr. Cobb raised the question in the minds of the graduates about going to college. He said, "It is not a question of when are you going to college or where are you going to college, but why are you going. Every person who goes to college should know for what purpose he is going and should stick to that purpose." Evidently our Seniors know where and for what purpose they are going for we find quite a few with their minds made up. The following expect to attend some college this fall with these professions in mind:

Farewell Seniors!

VOLUME 9

BRAINERD HIGH SCHOOL, TUESDAY, JUNE 2, 1931

Number 35

123 SENIORS LEAVE SCHOOL AT THE COMMENCEMENT EXERCISES SATURDAY

DEAN JAMES C. LAWRENCE DELIVERS GRADUATING ADDRESS

Commencement exercises were held last Saturday evening in the high school auditorium. The auditorium was filled to its capacity with little standing room at the entrances when the curtain went up at eight o'clock.

Rev. A. G. Patterson pronounced the "Invocation" which was followed by a musical selection, "The Forest Rhapsody," sung by the girls' glee club.

Dean James C. Lawrence, a noted and able speaker of the University of Minnesota, gave a very interesting and well directed address for the occasion. The speech, entitled "The Next Five Years," contained much helpful advice and humor.

Dean Lawrence stated that school is like a spark gap where a necessary connection and co-operation between student and teacher is needed to make the system function to the best advantage. He especially expressed the fact that life after one once enters the world is hard and one must work earnestly to enable oneself to overpower a hard-boiled world that sends out its challenge of "Show Me."

Parents try to extend the nursery walls into life, giving a harmful effect on those who are past that age and it makes it practically impossible for those surrounded by that frame to advance and keep going as they should. "Don't go into a paralyzed huddle; keep kicking," remarked Dean Lawrence, and he stated that success will be assured by doing today's job today. A girls' chorus then sang "Spring Time," by Newton, a well selected piece.

Miss Mary F. Tornstrom gave helpful advice to the Seniors and it was also a farewell to the graduates who are leaving our school and going out into the school of life.

The climax to the evening's program was the announcement of the honors due the graduates for their four year's work in the Brainerd High School. This part of the program was conducted by Miss Tornstrom, who announced the honors with very obvious pleasure. She stated that the people prominent in all school activities were honored on Honor Day, but that Commencement was strictly for those who merited mention for scholastic achievements. She wove into her remarks the outstanding points in Dean Lawrence's address and used them to show that she thought the students honored would be sure to carry out his precepts.

The valedictorian and salutatorian, Arden Miller and Jean Cass, were first asked to stand and accept the tribute offered them for the high rank achieved by them in four years' successful study.

The twelve honor graduates were, in addition to Arden and Jean: Bernice Steinfeldt, Alice Nolan, Evelyn Loom, Elizabeth Irvine, Evelyn Aune, Ray Wareing, Fay Rosina, Louise Clausen, Mary Hawkins and Ruth Fallquist.

The National Honor Society to which none may belong except those who rank high in scholarship and are adjudged by the teachers as persons high in scholarship, character, leadership and service, consisted of the following:

Arden Miller, Jean Cass, Bernice Steinfeldt, Alice Nolan, Elizabeth Irvine, Ray Wareing, Fay Rosina, Louise Clausen, Mary Hawkins, Arlene Hagberg, Maleta Kleinschmidt, Helen Sheets, Kenneth Stimson, Darrold Wadsworth, Janet Kampmann, Rose Johnson, Marie Hoffbauer, Stuart Patterson, Vernon Marshall and Carl Holvick.

Special tribute was paid the class officers, who have led the class and carried on the work of the Seniors so successfully. They were Gerald Cass, president; Stuart Patterson, vice-president; Arline Hagberg, secretary; and Lyle Mayo, treasurer.

The work of getting out the Annual is a big business in itself, from the standpoints of organization, literature, art and finance. The general supervision of the book fell to Kenneth Stimson as managing editor; Marie Hoffbauer took charge of the literary sections; Alice Nolan organized and collected advertising, while George Irvine designed and executed all the art work.

Due tribute was paid Janet Kampmann as the first girl editor of the weekly Brainonian, and mention made of the zeal and ability shown in getting a group of volunteer students to publish every week an excellent newspaper.

The two chosen to represent the T.H. and H.Y. as outstanding examples of true Christian character are Louise Clausen and Gerald Cass.

Those boys eligible to membership in the National Athletic Scholarship Society through having a high scholastic average and a letter in a major sport are: Stuart Patterson, Nathan Schuety, Ray Wareing, Vernon Marshall and Gerald Cass.

The first places in declamation in all three groups this year were held by Seniors: Bernice Steinfeldt in dramatics; Elizabeth Irvine in humor; and Stuart Patterson for oratory.

The medal for highest scholastic honors was given Arden Miller by County Attorney Arthur J. Sullivan. Arden replied with some appropriate remarks. The greatest honor awarded at Commencement is that of the Jos-

HONOR ROLL

The honor roll for this six weeks found quite a few new names on the list and quite a few moving from the A honor roll to the B honor roll.

ALICE NOLAN, GERALD CASS RECEIVE AWARDS

TO HAVE NAMES ENGRAVED ON THE CITIZENSHIP SHIELD

The Josten Citizenship Award is one of the greatest honors that can be bestowed upon a Senior. This year the two Seniors to receive the honor were Gerald Cass and Alice Nolan, who were voted as the most representative boy and girl in the Senior Class.

These two Seniors really earned the honor, for they have participated in some way in practically all of the High School activities during their four years in high school.

Gerald Cass is one of a very few who have held the office of class president for all four years. He is regarded as a leader and respected by all his class mates. He also has received the National Athletic Scholarship Society Awards along with four other Senior boys. His name appears on the H.Y. service shield this year as the outstanding high school boy.

Alice Nolan has especially shown her skill in the field of athletics, being one of the outstanding feminine athletes of the school. Her scholarship average during her four years in high school was among the highest. She was a member of the Brainonian staff and during her last year was business manager of the annual.

The names of the people who have won the citizenship award for the five years that it has been given have been engraved on a beautiful shield which is to hang on the assembly wall. The cost of engraving was borne by this year's graduating class. The names that appear on this shield are: 1926—Gladys Holvick, Stewart Gile; 1927—Marguerite O'Brien, Raymond Anderson; 1928—Kathleen Early, Joseph Greener; 1929—Evodia Carlson, William McClenahan; 1930—Margaret Vadnais, Clarence Holden; 1931—Alice Nolan, Gerald Cass.

ten Citizenship medal, which went to Gerald Cass and Alice Nolan.

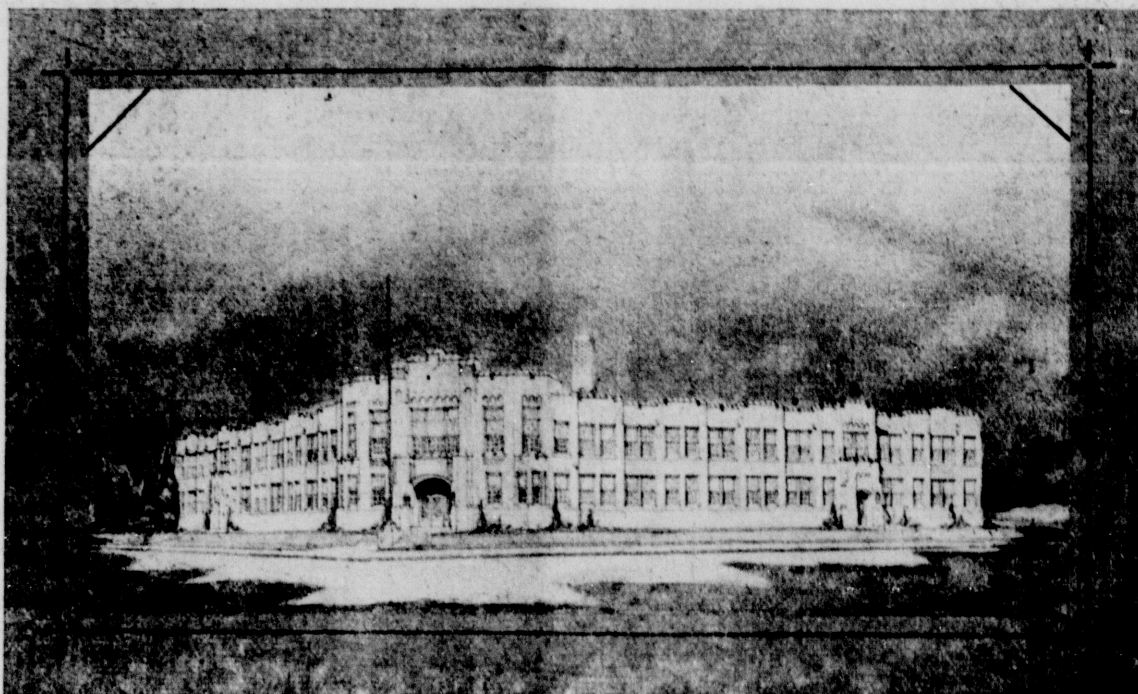

After this Mr. Cobb spoke briefly to the Seniors and to the audience of the value of an education, of the problems to be settled before a family decides that the student shall go to college, and made a plea for understanding of adolescent problems. He suggested that the greatest work the various parent-teachers organizations could do was to see that the people most interested in the growth of children—the parent and teacher—get together to discuss the various problems.

He stated that the qualities of leadership displayed by the Seniors were not a matter of sudden growth, but were evident at so tender an age as twelve, when they led delegations from the contest to win an automobile.

He expressed his hope that these students graduating from the high school would be at all times ardent and earnest supporters of public school systems and always reflect honor upon the school which educated them.

The evening ended with the class song and the benediction by Rev. Patterson.

THE FUTURE JUNIOR HIGH

CLASS OFFICERS

Seniors Throw One Last Party Before Departing

The last dance of the year was held last Thursday night in the gymnasium. The Seniors, feeling that the year was not complete without one more dance, secured the services of Herb's Play

Boys to render the plaintive melodies for the dancers.

With the lights turned low and the decorations still retained from the Prom, everybody seemed in the right spirit and an informal attitude prevailed the entire evening. As usual the fun begins when the confetti makes its appearance. Amid the screams of the girls and the laughter of the boys,

many a handful disappeared down somebody's back or was gleefully rubbed in curly locks.

To cap the evening the Seniors had provided many ice cream bars, too many, in fact. There was abundant testimony that all had to be eaten and there are quite a few records that boast of six or seven of the bars.

'31 ANNUAL IS PROCLAIMED THE BEST YEAR BOOK PUBLISHED BY THE SCHOOL

SENIOR CLASS SONG

THE BLUE AND WHITE

Tune: "The Orange and the Black." Every High School has its colors, The colors they like best, And the blue and white of Brainerd We love more than the rest. We have won so many victories, Underneath the blue and white, With the staunchest of our friends, They will ever stand aright.

To the four long years in High School, To the teachers we love most, To the hours of work and pleasure, We pledge our farewell toast. And we will for ever remember, The days that have passed by, As in our hearts we cherish, Our dear old Brainerd High.

Although our hearts are saddened, New honors lead us on, Tomorrow they'll be saying, Another class is gone. We today hear duty calling, And as youth we must obey, Goodbye, dear Brainerd High School, Hope beckons us away.

ROSE M. JOHNSON.

ATHLETIC SEASON A GREAT SUCCESS

STIMULATED INTEREST SHOWN IN ALL SPORTS DURING PAST YEAR

Stimulation of interest in athletics was the object of the new coach coming to Brainerd.

Although the football team won only a small percentage of the games played, the season was a success as far as greater interest is concerned for all the equipment was issued at the opening of the year and most of it stayed through the season. The team played its best brand of football at the game with Crosby-Ironton even if they did lose; there is no disgrace in being defeated by a better team when they put up such a good fight.

Ten Seniors will be lost from the ranks of the football squad, including Captain Garvey, Moe Schuety, Hogan, Wareing, Patterson, Armstrong, Cass, Lukens, Guin and Brown.

The basketball season was the crowning feature of the whole athletic year. The team came out on top in thirty out of thirty-three encounters, winning the district tournament by defeating their old time rivals, Crosby-Ironton, and giving a heroic fight for the regional trophy against Moorhead, previous state champions, and losing by only one basket.

Besides the first team there is the hard plugging second team, who made a commendable record against their opponents. The Junior high team also provided the preliminary games at the big encounters, winning every game by a large margin.

Here again in basketball the squad will feel keenly the loss of Captain Schuety, Marshall, Frank and Patterson.

In track the team made a fine showing, winning the Aitkin Invitational meet and placing second in the district meet, also taking fourth in the regional and sending five men to the state meet: Marshall in the discus, hurling, Moe in the 440-yard dash, Hohman in the high jump, Wygle pole vaulting, and Captain Foster will leave the javelin. These boys are expected to make a fine mark at the meet held June 6 in Minneapolis.

Seniors who bid good-bye to the Brainerd high track squad are Moe, our 440 man who has yet to be defeated; Marshall who will hurl the discus in the state meet, ending a brilliant career in three sports; Schuety who ran his last race Saturday in the regional at Moorhead, his age limit being reached May 27; and Malmstrom who also ran his last race Saturday, taking fourth in the half mile.

Interclass athletics took a big part in the year's activities, the Seniors winning the basketball pennant, while in kittenball the Juniors came off with first honors after a hard fought extra inning battle with the Sophomores. The Senior class took the track pennant, showing that much good material is going to be lost through graduation.

This splendid athletic year was ended by a final gathering of all athletes at the athletic banquet at which the captains were chosen to pilot the teams of the coming year. No captain was chosen for football but Elmer Foster was chosen to captain the basketball team next year and our high jumper, Bill Hohman, was chosen to lead the track squad.

A very successful athletic year is expected beginning with football in the fall and not ceasing until the final race has been run in the last track meet. Many trophies are anticipated to fill the case in the hall of old B. H. S.

MODERNISTIC TREND FOLLOWED IN BOOK; KENNETH STIMSON TO BE CONGRATULATED

As a fitting climax to the school year the 1931 annual was issued Friday at 2 o'clock. There was a mad rush for the two places where the annuals were being distributed as soon as the time was announced. Seniors showed Freshmen and Freshmen crowded Sophomores and Juniors in the mad scramble to get the best annual that has ever been put out by the high school.

Resplendent in its new colorful covering the book caused many "Oh's" and "Ah's" from the student body. The design of the book is along modernistic lines which we understand is something new in the way of year books and we can recommend it to any school which wishes to follow the plan.

The art work in the new book is something to marvel at and George Irvine is to be congratulated on the manner in which he handled the pen in the making of the drawings for the book.

The feature articles are on a very high plan and bring the book up to a par of any high school annual in the state.

The outstanding feature articles were the Class Will, Prophecy and History. The Will was well written by Mildred Johnson. Nothing has been left out which might concern the transfer of gifts to the desolate underclassmen. Bernice Steinfeldt visioned the activities of those same members in the distant future when all had decided what they would do in life. The history, which recounted the activities of the class for four years, was written by Mary Hawkins.

MANY SENIORS PLAN TO ENTER COLLEGES

During the graduation program Mr. Cobb raised the question in the minds of the graduates about going to college. He said, "It is not a question of when are you going to college or where are you going to college, but why are you going. Every person who goes to college should know for what purpose he is going and should stick to that purpose." Evidently our Seniors know where and for what purpose they are going for we find quite a few with their minds made up. The following expect to attend some college this fall with these professions in mind:

Ruth Erickson, teacher; Edith Gansky, teacher; Arden Miller, Medical College; George Irvine, Liberal Arts; Louise Clausen, Liberal Arts; Mary Hawkins, Calhoun Secretarial School; Evelyn Loom, George Washington University; Mildred Johnson, Liberal Arts; Arlene Hagberg, Calhoun Secretarial School; Vina Gilmer, St. Cloud Teachers College; Rose Larkin, St. Cloud Teachers College; Edward Burke, St. Paul College of Law; Norma Olson, St. Cloud Teachers College; Stuart Patterson, Macalester College; Ethel Barton, St. Cloud Teachers College; Gay Kinney, University of Minnesota; Amy Markham, Rockford College; Lillian Soliday, Duluth Business School; Warren Golemboske, Eastern School of Interior Decorating; Lucille Erickson, Calhoun Secretarial School; Evelyn Aune, Duluth State Teachers College; Helen Kuhen, St. Cloud Teachers College.

Minnesota Newspaper Gag Law Unconstitutional

MINNESOTA'S newspaper gag law has been overthrown by the United States Supreme Court.

Under the Minnesota law, now declared invalid, a newspaper could be suspended for criticism of public officials.

Chief Justice Hughes, reading the majority opinion, strongly defended the freedom of the press and condemned any "previous restraint" by the state as unconstitutional. He said direct censorship was the next logical step after such laws. Publication of scandal is less serious than suppression of the freedom of the press. In his opinion he is quoted as follows:

"Charges of reprehensible conduct, and particularly of official malfeasance, unquestionably create a public scandal, but the theory of the constitutional guaranty is that even a more serious public evil would be caused by authority to prevent publication.

"The administration of government has become more complex, the opportunities for malfeasance and corruption have multiplied, crime has grown to most serious proportions, and the danger of its protection by unfaithful officials and of the impairment of the fundamental security of life and property by criminal alliances and official neglect, emphasize the primary need of a vigilant and courageous press, especially in great cities.

"The fact that the liberty of the press may be abused by miscreant purveyors of scandal does not make any the less necessary the immunity of the press from previous restraint in dealing with official misconduct. Subsequent punishment for such abuses as may exist is the appropriate remedy consistent with constitutional privilege."

Lake Season Opens Auspiciously

THE lake season opened last Friday and Saturday and it was a most auspicious opening. Never have week enders been greeted with such fine weather as the lake region was favored with on Memorial Day and the Sunday following.

Memorial Day had clear weather and cool breezes. The sun shone and it was a remarkable day. Sunday warmed up a little more. Monday witnessed a further rise of temperature.

The resorts opening reported very good business. Many had to turn away last minute guests who had made no reservations.

Twin City papers have commented on the fact that town people when they have a vacation or a week end now migrate to the lake and country. The country cousin movement to town has been overshadowed by the reverse travel of town to lake and country. It seems as if the city dweller rushes to our section whenever the least opportunity presents itself to get away. The urge for the open spaces has been stimulated by movie, book and play. The cramped canyons of the business section of cities cause a yearning for the open.

The philosophy of business in regard to recreation has undergone a change, and people this year will have their vacation, their recreation, in spite of conditions of business and regardless of whether the market is up or down. The annual vacation has become a real necessity, a period in which body, mind and soul can be refreshed by communing with nature. It resolves the word recreation into what it means in conjunction with a vacation in the Brainerd lake region, a re-creation.

Gone are the Last Frontiers

AFTER following industrial and political events, after hearing Dean James C. Lawrence tell the high school graduating class that migrations for jobs have about ceased, one wonders what the hero of Cimarron would do if he lived in these effete days.

As stated by Mr. Lawrence the movement for free land has ended because there is little good land left. Some may be homesteaded in Alaska. The movement from town and country to the big factories has about ceased as all industrial plants have enough man power. The travel from east coast to west coast nears an end as both resemble each other industrially.

There are no Oklahomas left, no new territory to progress from virgin land to statehood.

Picard, scientist, chafing at earthly restrictions, set out in his balloon and punctured the stratosphere 10 miles up and even he has been checked from further quest because Mrs. Picard has said very definitely that Father stays home hereafter.

One hardy soul is left to search what little is left unknown. Sir Hubert Wilkins and his Nautilus crew are to navigate under polar ice and some time in the Arctic regions have a date to meet Commander Eckener and his Graf Zeppelin.

Truly, the rolling stones that gathered no moss, but gained a fine polish, must now be content to "stay put" and anchor to shore.

A time of introspection and retrospection appears to be in store for some of us. If Mother falls in with the general philosophical arrangement, one can see that even fishing expeditions may be curtailed.

Congressman Knutson Confers with President

CONGRESSMAN HAROLD KNUTSON, who has been in Washington on business, has been detained by his selection as representative of the farm group to help formulate a farm plank for the national Republican platform. He was called in conference with President Hoover and has also met with Robert H. Lucas, executive director of the Republican national committee.

Comment has been made that the fight between Minnesota regulars and the Schall forces has disrupted party affairs in this state and the outcome is problematical.

That Knutson has been chosen as the Minnesota house member to help bring about harmony is an indication of his standing in the capital city.

Experimenting with Low Grade Iron Ores

THE smelting experiments in the production of ferro manganese from low grade iron ores will be continued for two weeks. T. L. Joseph, metallurgist at the University of Minnesota, has announced.

Chemical analysis of the first samples smelted in the huge blast furnace at the Mines Experimental station demonstrated that the experiment was a success, Joseph said. The smelting will be continued to determine accurately the cost of the new process.

The new method is being developed by Joseph, C. E. Wood and E. P. Barrett, metallurgists of the United States bureau of mines.

MUCH new building of cottages and other improvements is under way at North Round Lake, just an indication of the spirit of progress apparent throughout the lake country.

ASK REAPPOINTMENT OF CHARTER BOARD

Judge Wright Approves List; Signatures of Two Other Judges Required

A petition presented by A. G. Anderson, Mayor H. W. Creger, and City Attorney W. J. Swanson asking for the reappointment of the Brainerd Charter Commission for another four years has been acted upon by Judge B. F. Wright.

The names of the members were approved by the judge and since it is necessary for the three judges of the district to act, the order has been sent to Judges Graham Torrance and Alfred L. Thwing for their signatures of approval.

The members of the Charter Commission named in the petition are: B. L. Lagerquist, R. J. Tinkelpaugh, R. L. Gould, Eugene W. Paine, A. C. Weber, Hugo Kaatz, R. W. Crust, Mrs. Berdina Raach, Mrs. Margaret Herbert, K. S. Bredenberg, A. G. Anderson, John M. Bye, T. H. Schaefer, W. A. Erickson and John J. Cummins.

The commission was appointed October 21, 1926 and its term of office expired on October 21, 1930.

The Charter Commission has the right to select its own attorney and stenographer to assist in framing a charter and any amendments of revision. Such compensation and the cost of printing when directed by the board must be paid by the city.

Members of the commission serve without compensation. After appointments are approved each appointee must qualify with the clerk of the district court within 30 days from the filing of the order. If the appointee does not qualify the judges will appoint new ones until a list of 15 is complete.

Considerable changes in the city charter are contemplated since many provisions are now obsolete.

APPRAISERS NAMED IN CONDEMNATION

Commission Will Meet Tomorrow Morning; Appeals to Court Appear Unlikely

Judge B. F. Wright has named Gil Keene, Henry I. Cohen and Edward Crust, Sr., as appraisers of land and property in the application of the Brainerd School District for the condemnation of all of Block 82 and Lots 22, 23 and 24 of Block 161.

The judge Monday afternoon also named Erick M. Olson and C. B. White as alternates.

The commission was ordered to have its first meeting tomorrow at 9 a. m. at the court room of the court house.

Owners of land will submit without appeal if appraisals are reasonable, it was indicated today.

Appraisals of land and property is the first step preparatory to actual construction work of the new junior high school on Block 82 or the so-called "all site."

The other land listed in the proceedings is for additional property to the Lincoln school.

SCOUTS HOLD COURT IN GREGORY PARK

Speaking for the Brainerd Boy Scouts, Dr. A. K. Cohen received permission by the city council last evening to conduct the Court of Honor between numbers on the city band's opening band concert Wednesday evening at Gregory Park.

Between 60 and 70 boy scouts will participate in the ceremonies.

The program has been arranged that it will take no longer than the usual band concert, the court of honor numbers to take place between the various band selections.

An exceptionally large number of awards are to be given at this court of honor, and the rivalry is very strong between the various troops as to which one will receive the Court of Honor flag, now held by Troop No. 45, the Congregational troop.

Among the courts for winning the flag will be the troop having the greatest number of mothers and fathers present, in proportion to the size of the troop. Everyone is invited to come.

The court of honor will take place on the south and east section of the band stand. All the Boy Scouts are asked to meet at the pergola at 7:30 o'clock in full regalia.

Texas Guinan and Her Company Ordered Home

Paris, June 2.—(UP)—The ministry of interior ordered today the deportation of Texas Guinan and her company of show girls, who were barred from landing in France when they reached Le Havre last Friday on the liner Paris. They will be sent back on the Paris tomorrow.

Consider your Adam's Apple!! Don't Rasp Your Throat With Harsh Irritants

"Reach for a LUCKY instead"

When you visit your physician for your periodic health examination, one of the very first things he asks you to do is to open your mouth wide, and to say "Ah." He is examining the delicate lining of your throat. "Ah!" There is not a man or woman who could even make this simple sound, if in the throat there were no Adam's Apple. For your Adam's Apple is your larynx—the voice box containing your vocal chords. And what a delicate piece of Nature's handiwork the Adam's Apple is. A slight cold—even a tiny particle lodged in the throat—and our voice often grows husky. In acute cases, we may even lose our voice for several days. Don't rasp your throat with harsh irritants—Reach for a LUCKY instead—remember, LUCKY STRIKE is the only cigarette in America that through its exclusive "TOASTING" process expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your LUCKY STRIKE. No wonder 20,679 American physicians have stated LUCKIES to be less irritating. LUCKIES are always kind to your throat. And so we say "Consider your Adam's Apple."

LUCKIES are always
kind to your throat

Minnesota Newspaper Gag Law Unconstitutional

MINNESOTA'S newspaper gag law has been overthrown by the United States Supreme Court.

Under the Minnesota law, now declared invalid, a newspaper could be suspended for criticism of public officials.

Chief Justice Hughes, reading the majority opinion, strongly defended the freedom of the press and condemned any "previous restraint" by the state as unconstitutional. He said direct censorship was the next logical step after such laws. Publication of scandal is less serious than suppression of the freedom of the press. In his opinion he is quoted as follows:

"Charges of reprehensible conduct, and particularly of official malfeasance, unquestionably create a public scandal, but the theory of the constitutional guaranty is that even a more serious public evil would be caused by authority to prevent publication.

"The administration of government has become more complex, the opportunities for malfeasance and corruption have multiplied, crime has grown to most serious proportions, and the danger of its protection by unfaithful officials and of the impairment of the fundamental security of life and property by criminal alliances and official neglect, emphasize the primary need of a vigilant and courageous press, especially in great cities.

"The fact that the liberty of the press may be abused by miscreant purveyors of scandal does not make any the less necessary the immunity of the press from previous restraint in dealing with official misconduct. Subsequent punishment for such abuses as may exist is the appropriate remedy consistent with constitutional privilege."

Lake Season Opens Auspiciously

THE lake season opened last Friday and Saturday and it was a most auspicious opening. Never have week enders been greeted with such fine weather as the lake region was favored with on Memorial Day and the Sunday following.

Memorial Day had clear weather and cool breezes. The sun shone and it was a remarkable day. Sunday warmed up a little more. Monday witnessed a further rise of temperature.

The resorts opening reported very good business. Many had to turn away last minute guests who had made no reservations.

Twin City papers have commented on the fact that town people when they have a vacation or a week end now migrate to the lake and country. The country cousin movement to town has been overshadowed by the reverse travel of town to lake and country. It seems as if the city dweller rushes to our section whenever the least opportunity presents itself to get away. The urge for the open spaces has been stimulated by movie, book and play. The cramped canyons of the business section of cities cause a yearning for the open.

The philosophy of business in regard to recreation has undergone a change, and people this year will have their vacation, their recreation, in spite of conditions of business and regardless of whether the market is up or down. The annual vacation has become a real necessity, a period in which body, mind and soul can be refreshed by communing with nature. It resolves the word recreation into what it means in conjunction with a vacation in the Brainerd lake region, a re-creation.

Gone are the Last Frontiers

AFTER following industrial and political events, after hearing Dean James C. Lawrence tell the high school graduating class that migrations for jobs have about ceased, one wonders what the hero of Cimarron would do if he lived in these effete days.

As stated by Mr. Lawrence the movement for free land has ended because there is little good land left. Some may be homesteaded in Alaska. The movement from town and country to the big factories has about ceased as all industrial plants have enough man power. The travel from east coast to west coast nears an end as both resemble each other industrially.

There are no Oklahomas left, no new territory to progress from virgin land to statehood.

Picard, scientist, chafing at earthly restrictions, set out in his balloon and punctured the stratosphere 10 miles up and even he has been checked from further quest because Mrs. Picard has said very definitely that Father stays home hereafter.

One hardy soul is left to search what little is left unknown. Sir Hubert Wilkins and his Nautilus crew are to navigate under polar ice and some time in the Arctic regions have a date to meet Commander Eckener and his Graf Zeppelin.

Truly, the rolling stones that gathered no moss, but gained a fine polish, must now be content to "stay put" and anchor to shore.

A time of introspection and retrospection appears to be in store for some of us. If Mother falls in with the general philosophical arrangement, one can see that even fishing expeditions may be curtailed.

Congressman Knutson Confers with President

CONGRESSMAN HAROLD KNUTSON, who has been in Washington on business, has been detained by his selection as representative of the farm group to help formulate a farm plank for the national Republican platform. He was called in conference with President Hoover and has also met with Robert H. Lucas, executive director of the Republican national committee.

Comment has been made that the fight between Minnesota regulars and the Schall forces has disrupted party affairs in this state and the outcome is problematical.

That Knutson has been chosen as the Minnesota house member to help bring about harmony is an indication of his standing in the capital city.

Experimenting with Low Grade Iron Ores

THE smelting experiments in the production of ferro manganese from low grade iron ores will be continued for two weeks. T. L. Joseph, metallurgist at the University of Minnesota, has announced.

Chemical analysis of the first samples smelted in the huge blast furnace at the Mines Experimental station demonstrated that the experiment was a success, Joseph said. The smelting will be continued to determine accurately the cost of the new process.

The new method is being developed by Joseph, C. E. Wood and E. P. Barrett, metallurgists of the United States bureau of mines.

MUCH new building of cottages and other improvements is under way at North Round Lake, just an indication of the spirit of progress apparent throughout the lake country.

ASK REAPPOINTMENT OF CHARTER BOARD

Judge Wright Approves List; Signatures of Two Other Judges Required

A petition presented by A. G. Anderson, Mayor H. W. Creger, and City Attorney W. J. Swanson asking for the reappointment of the Brainerd Charter Commission for another four years has been acted upon by Judge E. F. Wright.

The names of the members were approved by the judge and since it is necessary for the three judges of the district to act, the order has been sent to Judges Graham Torrance and Alfred L. Thwing for their signatures of approval.

The members of the Charter Commission named in the petition are: B. L. Lagerquist, R. J. Tinkelpaugh, R. R. Gould, Eugene W. Paine, A. C. Weber, Hugo Kaatz, R. W. Crust, Mrs. Berdina Rasch, Mrs. Margaret Herbert, K. S. Bredenberg, A. G. Anderson, John M. Eyc, T. H. Schaefer, W. A. Erickson and John J. Cummins.

The commission was appointed October 21, 1926 and its term of office expired on October 21, 1930.

The Charter Commission has the right to select its own attorney and stenographer to assist in framing a charter and any amendments of revision. Such compensation and the cost of printing when directed by the board must be paid by the city.

Members of the commission serve without compensation. After appointments are approved each appointee must qualify with the clerk of the district court within 30 days from the filing of the order. If the appointee does not qualify the judges will appoint new ones until a list of 15 is complete.

Considerable changes in the city charter are contemplated since many provisions are now obsolete.

APPRAISERS NAMED IN CONDEMNATION

Commission Will Meet Tomorrow Morning; Appeals to Court Appear Unlikely

Judge E. F. Wright has named G. H. Keene, Henry I. Cohen and Edward Crust, Sr., as appraisers of land and property in the application of the Brainerd School District for the condemnation of all of Block 82 and Lots 22, 23 and 24 of Block 141.

The judge Monday afternoon also named Erick M. Olson and C. B. White as alternates.

The commission was ordered to have its first meeting tomorrow at 9 a. m. at the court room of the court house.

Owners of land will submit without appeal if appraisals are reasonable, it was indicated today.

Appraisals of land and property is the first step preparatory to actual construction work of the new junior high school on Block 82 or the so-called "fill site."

The other land listed in the proceedings is for additional property to the Lincoln school.

SCOUTS HOLD COURT IN GREGORY PARK

Speaking for the Brainerd Boy Scouts, Dr. A. K. Cohen received permission by the city council last evening to conduct the Court of Honor between numbers on the city band's opening band concert Wednesday evening at Gregory Park.

Between 60 and 70 boy scouts will participate in the ceremonies. The program has been so arranged that it will take no longer than the usual band concert, the court of honor numbers to take place between the various band selections.

An exceptionally large number of awards are to be given at this court of honor, and the rivalry is very strong between the various troops as to which one will receive the Court of Honor flag, now held by Troop No. 45, the Congregational troop.

Among the counts for winning the flag will be the troop having the greatest number of mothers and fathers present, in proportion to the size of the troop. Everyone is invited to come.

The court of honor will take place on the south and east section of the band stand. All the Boy Scouts are asked to meet at the pergola at 7:30 o'clock in full regalia.

Texas Guinan and Her Company Ordered Home

*Paris, June 2.—(AP)—The ministry of interior ordered today the deportation

of Texas Guinan and her company of show girls, who were barred from landing in France when they reached Le Havre last Friday on the liner Paris. They will be sent back on the Paris tomorrow.

Consider your Adam's Apple!! Don't Rasp Your Throat With Harsh Irritants

"Reach for a LUCKY instead"

When you visit your physician for your periodic health examination, one of the very first things he asks you to do is to open your mouth wide, and to say "Ah." He is examining the delicate lining of your throat. "Ah!" There is not a man or woman who could even make this simple sound, if in the throat there were no Adam's Apple. For your Adam's Apple is your larynx—the voice box containing your vocal chords. And what a delicate piece of Nature's handiwork the Adam's Apple is. A slight cold—even a tiny particle lodged in the throat—and our voice often grows husky. In acute cases, we may even lose our voice for several days. Don't rasp your throat with harsh irritants—Reach for a LUCKY instead—remember, LUCKY STRIKE is the only cigarette in America that through its exclusive "TOASTING" process expels certain harsh irritants present in all raw tobaccos. These expelled irritants are sold to manufacturers of chemical compounds. They are not present in your LUCKY STRIKE. No wonder 20,679 American physicians have stated LUCKIES to be less irritating. LUCKIES are always kind to your throat. And so we say "Consider your Adam's Apple."

LUCKIES are always
kind to your throat

DERBY DAY IN ENGLAND WILL DRAW HALF MILLION CROWD

28 COLTS WILL FACE BARRIER AT EPSOM DOWNS

INTEREST HAS BEEN REDOUBLED BY RICH SWEEPSTAKE PRIZES OFFERED

JOHN A. DEWAR'S CAMERONIAN RULES FAVORITE TODAY AT 4 TO 1

By TOM CREEDON
(United Press Staff Correspondent)
London, June 2.—The approach of Derby Day found England in an almost unprecedented state of excitement over the race which since 1780 has drawn its crowds to Epsom Downs.

Probably a throng of 500,000 will crowd the rolling course tomorrow when some 28 colts face the barrier for the mile and a half test that will crown the winner the undisputed three-year-old champion of the year.

Interest has been redoubled by the rich sweepstake prizes which will be decided by the race, bringing comfortable sums to many in the British Isles and overseas. Nearly \$10,000,000 will be distributed to holders of tickets in the Irish Sweepstakes and \$2,657,800 in the Calcutta Sweep. The London Stock Exchange, Newfoundland, Canadian and other sweeps bring the total to \$15,000,000 or more.

Public opinion was heavily divided on the merits of the starters. John A. Dewar's Cameronian held favorite today at 4 to 1, but he was not as highly regarded by the general public as was last year's favorite, Diolite, which went to the post in 1930 an 11 to 4 favorite, only to finish third.

Sir Andrew, one of the two American owned candidates, was quoted at 25 to 1. A few days ago the William Woodward colt was 13 to 1. Jacopo, owned by Marshall Field of Chicago, dropped from 33 to 11 to 1.

Poker D'As was a doubtful starter. The total value of the stakes, regardless of whether any other scratches reduce the field, will be \$69,500, of which \$36,650 goes to the winner, \$6,950 to the second horse, \$3,475 to the third and \$2,425 to the breeder of the winner.

Pirates Win 16 to 11 in Junior League Ball

In the first game of the local series of junior league baseball as sponsored by the American Legion, the Southeast Pirates defeated the Peterson Clothing team 16 to 11 at the municipal grounds today.

ESDON

Ernest, Phoebe, Doris Gross, Norraine and Florella Mathison called at John Veit's last Monday evening.

Little Russell Coffield spent last Monday with Mrs. Seipp and granddaughter.

Mr. Mathison and daughter Norraine motored to Brainerd Tuesday of last week.

Mrs. John Veit called on Mrs. Seipp last Monday morning.

Fred, Ernest, Doris and Phoebe Gross spent last Tuesday in the Platte Lake country.

Miss Verona Trask, the teacher of Esdon, was a supper guest at the James Coffield home Tuesday. It was little Eva's birthday. She received many pretty presents.

James Coffield called at John Veit's Wednesday morning on business.

John Veit finished planting corn last Tuesday.

The ladies aid met with Mrs. James Coffield last Thursday afternoon. A large crowd was present and a lovely lunch was served by the hostess. There were four Crosby ladies to visit the ladies aid.

Mrs. John Veit and sister Doris Coffield were Brainerd shoppers Friday.

The school picnic was held Saturday, May 23 at Esdon. A large crowd attended. A big ball game and many races and a lovely dinner was enjoyed by all. A nice program was also enjoyed.

Mrs. Mathison, daughter Norraine, Mrs. Lofgren and daughter Harriet motored to Brainerd Friday afternoon.

James Coffield and son Kenneth were the lucky ones to find where our telephone lines have been crossed for so long. Now we get better service.

Mr. and Mrs. John Veit, Arline and Doris Coffield, Miss Mildred Peterson and Raleigh Obenchain were dinner guests at Martin Hanson near Neutral Sunday. In the afternoon they walked through the woods to the fire tower near Borden Lake which they all climbed and viewed the country. They returned home late in the evening.

Mr. and Mrs. James Coffield, sons Kenneth and Russell and daughter Eva went to the cemetery at Dyckman Sunday afternoon.

Mrs. John Pearson and daughter Hollis of Neutral attended the school picnic Saturday.

Melvin Bloomstrom and children called at John Veit's Friday afternoon.

Mrs. Nester Jokela and son Raymond of Brainerd attended the picnic Saturday at Esdon.

Mr. and Mrs. Mathison and family motored to Brainerd on Saturday afternoon.

Mrs. A. Stafford of Crooked Lake attended the ladies aid at Mrs. Coffield's.

Melvin Bloomstrom and two children called at John Veit's Tuesday afternoon.

FOSTER MASTERS BRAINOS TO WIN

PENNEYS SCORE 10-3 VICTORY IN EXCITING DIAMONDBALL GAME

Benny Foster's masterful hurling was responsible for the downfall of the Brainos last night. He relieved McIntosh in the third inning with his team one run behind and struck out thirteen of the fifteen men to face him in the last five innings to give the J. C. Penney Co. a 10-3 victory in a city league diamondball game.

Pennys started in the first with two runs. An error by O. Heikkinen gave Aro a life. Lactala doubled to left scoring Aro, Orth fled out, Rafidol doubled to right scoring Lactala, and Holman then struck out Joe Gabiou and E. Foster to end the inning.

McIntosh walked J. Heikkinen to start the Braino half of the first. O. Heikkinen fanned, Holden walked, Marshall beat out an infield hit, and then Fitzharris came through with a sizzling three base hit down the first base line, scoring three runs. That ended the scoring for both sides until the 5th, when Joe Gabiou led off with a single and came in when Cal Orth hit for the circuit. Holman pitched a fine game until the seventh when he weakened and was touched for five hits, including home runs by Lactala, Rafidol and a three base hit by Foster. Fitzharris was the outstanding player for the Braino team, making several spectacular stops and accounting for all of their runs.

McIntosh walked J. Heikkinen to start the Braino half of the first. O. Heikkinen fanned, Holden walked, Marshall beat out an infield hit, and then Fitzharris came through with a sizzling three base hit down the first base line, scoring three runs. That ended the scoring for both sides until the 5th, when Joe Gabiou led off with a single and came in when Cal Orth hit for the circuit. Holman pitched a fine game until the seventh when he weakened and was touched for five hits, including home runs by Lactala, Rafidol and a three base hit by Foster. Fitzharris was the outstanding player for the Braino team, making several spectacular stops and accounting for all of their runs.

Joe Kirkwood of New York scored a 77 at Barry today. He made a like score at Carnoustie yesterday and had an aggregate of 154. This score was good enough to qualify, unless a surprising number of players cut many strokes from their scores of yesterday.

Gene Sarazen, New York, played at Barry and scored a 76 for an aggregate of 151. He took 39 strokes going out but was back in 37, one over par.

Johnny Farrell, New York, played Barry and scored a 73, two over par. He took 39 going out, and was four above par to the turn, but came back in 34, two below par for that nine.

He had an aggregate of 148 and was well up among the leaders.

Rain fell throughout much of Farrell's round, increasing in volume as he reached the home green.

Tony Manero, Elmford, N. Y., who was tied for second place yesterday when he scored a 72 at Barry, carded a 77 at Carnoustie today. He had an aggregate of 149.

A. Straub, Newark, N. J., added an 80 to his 91 of yesterday for a total of 171, costing him any chance of qualifying.

Yesterdays hero—Sparky Adams, third baseman, whose single in the twelfth inning scored Jimmy Wilson with the run that gave the St. Louis Cardinal a 6 to 5 victory over Cincinnati. Adams also hit two doubles.

BREAKS PAR BY 1 STROKE IN PLAY AT CARNOUSTIE

YESTERDAY HE SCORED 70 ON THE PAR 71 BARRY LAYOUT

NEW YORK PLAYER BORN IN SCOTCH TOWN OF THE TOURNAMENT

By VIRGIL PINKLEY
(United Press Staff Correspondent)

Carnoustie, Scotland, June 2.—(AP)—A field of 108 golfers led by MacDonald Smith, New York, qualified today for the British Open Golf Championship. The large field was necessitated by the fact that there were 10 players who tied with aggregate scores of 160.

Mac Smith, popular local favorite because he was a Carnoustie boy, put together rounds of 70 and 71 for his aggregate of 141 in the 36-hole test before the tournament proper.

Carnoustie, Scotland, June 2.—(AP)—Breaking par by one stroke and lowering his own course record of 74, MacDonald Smith of New York, born in Carnoustie, scored a 71 today to obtain a firmer hold on medal honors of the British Open Golf Championship.

He played the difficult Carnoustie course today. Yesterday he scored a 70 on the par 71 Barry layout. These sterling rounds gave him an aggregate of 141, a total which seemed likely to stand up as the best of the 36-hole qualifying round.

He was out in 37, one stroke over par, and home in 34, two below.

Archie Compston of Coombe Hill, who was tied with two other players for second place after yesterday's round was completed, scored a 71 at Carnoustie today, to tie Mac Smith's record for the course, and to take second place with half of the qualifying rounds complete. He had an aggregate of 143, two strokes behind that of Mac Smith.

Horton Smith of Cagston, N. Y., scored a par 72 at Carnoustie and had a total of 148. He was out in 35, one under par, and home in 37.

Joe Turnesa of Elmford, N. Y., scored a 76 today for an aggregate of 152, over the Barry course. He was on the green in two at each long hole except the 17th, but required three putts on each of four greens.

Joe Kirkwood of New York scored a 77 at Barry today. He made a like score at Carnoustie yesterday and had an aggregate of 154. This score was good enough to qualify, unless a surprising number of players cut many strokes from their scores of yesterday.

Gene Sarazen, New York, played at Barry and scored a 76 for an aggregate of 151. He took 39 strokes going out but was back in 37, one over par.

Johnny Farrell, New York, played Barry and scored a 73, two over par. He took 39 going out, and was four above par to the turn, but came back in 34, two below par for that nine.

He had an aggregate of 148 and was well up among the leaders.

SOUTH LONG LAKE

Sunday school next Sunday morning at 10:30 o'clock. You are cordially invited to attend. The title of the lesson is Jesus in Gethsemane, Luke 22nd Chapter 24:71 verses.

Children's Day will be observed on June 7 in the afternoon, there will also be baptism on that day.

Mr. and Mrs. Will Morcomb and family were Brainerd shoppers Saturday.

We are glad to hear that Mrs. John Fitzpatrick who is at the Swedish hospital in Minneapolis is some better.

Mrs. Brown has been on the sick list a few days but is now better.

Mrs. Walter Dickson and daughter Bernice were in Brainerd Saturday on a business trip.

Mr. and Mrs. Bert Peterson and family visited one evening last week with Mr. and Mrs. Wm. Senn and Mr. and Mrs. George Pensley.

We are sorry to hear that Mr. and Mrs. Albert Anderson are not very well.

Mrs. Wicklund and Mrs. Raymond Kienow visited Saturday afternoon with Mrs. Albert Krueger in Brainerd.

We are glad to see Mrs. Krueger some better.

Mrs. L. Wiedl visited a few days with relatives in St. Paul. She returned home Tuesday.

Mr. and Mrs. H. A. Wilson and family of Brainerd visited Sunday with Mrs. Wilson's parents, Mr. and Mrs. C. F. Peterson.

Delbert Busbey and Will Maust called Sunday afternoon at the home of Mr. and Mrs. Ben Leonard.

Mrs. George Henningson entertained the ladies aid of the Platte Lake church Wednesday, May 27.

Mr. and Mrs. Bert Peterson called at the home of Mr. and Mrs. Julius Sunday.

Mary Lamont shopped in Brainerd last week.

Mr. and Mrs. Arthur Maust visited Sunday with Mr. and Mrs. Roy Maust at St. Mathias.

Mrs. Will Maust visited Sunday afternoon with Mrs. Delbert Busbey.

Mr. and Mrs. Will Morcomb and family and Mr. and Mrs. C. F. Peterson visited Sunday evening with Mr. and Mrs. C. Sutton.

Angus Ormsted motored to Brainerd Saturday on a business trip.

Miss Greene was a supper guest at the home of Mr. and Mrs. I. Clawson Monday.

Miss Ethel Peterson visited over the week end with her father, Charles Peterson.

DAGGETT BROOK

Mr. and Mrs. Seed called at Engelhart's Monday night.

The county grader is grading two miles of road on the line between Platte Lake and Daggett Brook townships.

Mrs. Ruby Engelhart returned home Monday from Hutchinson where she has been attending school the past year.

We surely had some good rains in his vicinity this week.

Some of the Daggett Brook boys were practicing ball last Sunday getting ready to play with Brainerd next Sunday.

The pupils and teacher of district 10, 13 are planning on having their picnic on Thursday of this week. We hope the weather will be favorable.

Lester and Fred Hilderbrand and Clarence Engelhart called at Dixon's Monday night.

Mr. and Mrs. Guy Gorton went to Brainerd on Wednesday morning.

Some of the Daggett Brook folks are busy shearing their sheep now.

Some men are putting in a culvert in the road between sections 11 and 12 now. The county grader is to grade the road soon.

Tom Whitman is working on the road now.

Mr. Palmer is putting in the crop in the Armstrong place.

OAK LAWN

Mr. and Mrs. Alton Norton were Brainerd visitors Monday.

Mr. and Mrs. Dan Peterson and family visited with Mr. and Mrs. Clarence Norgard Tuesday evening.

Mr. and Mrs. Miller called at the Alton Norton home Tuesday night.

Mr. and Mrs. Carl Johnson and Mr. and Mrs. Varner Johnson of Ironton visited at the Miller home Sunday evening.

Mrs. Miller and daughters Florence, Phyllis and Virginia called at Duluth's Friday night.

Miss Ruby Miller called on Mrs.

Dan Peterson Friday and also visited her parents.

Mr. and Mrs. Paul Gibbs visited at the Adam's home Tuesday night.

Mr. and Mrs. Olson and family and Harvey Dixon visited at Butler Sunday.

Carl Johnson of Ironton and Mr. Bergstrom of Riverton called at Miller's Saturday.

Mr. and Mrs. Frank Miller and daughter Phyllis and Virginia visited with the former's brother and sister Sunday.

Mr. and Mrs. Dan Peterson and family visited with Mr. and Mrs. Mai Bloomstrom Sunday at Portage Lake.

Colman Miller of Gilbert Lake called at his brothers home here Sunday.

Mr. and Mrs. Dan Peterson and family visited with Mr. and Mrs. Mai Bloomstrom Sunday at Portage Lake.

Colman Miller of Gilbert Lake called at his brothers home here Sunday.

Mr. and Mrs. Dan Peterson and family visited with Mr. and Mrs. Mai Bloomstrom Sunday

DERBY DAY IN ENGLAND WILL DRAW HALF MILLION CROWD

28 COLTS WILL FACE BARRIER AT EPSOM DOWNS

INTEREST HAS BEEN REDOU-
LED BY RICH SWEEPSTAKE
PRIZES OFFERED

JOHN A. DEWAR'S CAMERONIAN
RULES FAVORITE TODAY
AT 4 TO 1

By TOM CREEDON
(United Press Staff Correspondent)
London, June 2.—The approach of
Derby Day found England in an al-
most unprecedented state of excite-
ment over the race which since 1780
has drawn its crowds to Epsom
Downs.

Probably a throng of 500,000 will
crowd the rolling course tomorrow
when some 28 colts face the barrier
for the mile and a half test that will
crown the winner the undisputed
three-year-old champion of the year.

Interest has been redoubled by the
rich sweepstake prizes which will be
decided by the race, bringing comfort-
able sums to many in the British Isles
and overseas. Nearly \$10,000,000 will
be distributed to holders of tickets in
the Irish Sweepstakes and \$2,657,800
in the Calcutta Sweep. The London
Stock Exchange, Newfoundland, Can-
adian and other sweeps bring the total
to \$15,000,000 or more.

Public opinion was heavily divided
on the merits of the starters. John
A. Dewar's Cameronian held favorite
today at 4 to 1, but he was not as
highly regarded by the general public
as was last year's favorite, Diolite,
which went to the post in 1930 an 11
to 4 favorite, only to finish third.

Sir Andrew, one of the two Ameri-
can owned candidates, was quoted at
25 to 1. A few days ago the William
Woodward colt was 18 to 1. Jacopo,
owned by Marshall Field of Chicago,
dropped from 33 to 11 to 1.

Poker D's was a doubtful starter.
The total value of the stakes, re-
gardless of whether any other
scratches reduce the field, will be
\$69,500, of which \$56,650 goes to the
winner, \$6,950 to the second horse,
\$5,472 to the third and \$2,425 to the
breeder of the winner.

Pirates Win 16 to 11

in Junior League Ball

In the first game of the local series
of junior league baseball as sponsored
by the American Legion, the Southeast
Pirates defeated the Peterson Clothing
team 16 to 11 at the municipal grounds
today.

ESDON

Ernest, Phoebe, Doris Gross, Nor-
rairie and Florella Mathison called at
John Veit's last Monday evening.
Little Russell Coffield spent last
Monday with Mrs. Seipp and grand-
daughter.

Mr. Mathison and daughter Norrairie
motored to Brainerd Tuesday of last
week.

Mrs. John Veit called on Mrs. Seipp
last Monday morning.
Fred, Ernest, Doris and Phoebe
Gross spent last Tuesday in the Platte
Lake country.

Miss Verona Traill, the teacher of
Esdon, was a supper guest at the
James Coffield home Tuesday. It was
little Eva's birthday. She received
many pretty presents.

James Coffield called at John Veit's
Wednesday morning on business.
John Veit finished planting corn last
Tuesday.

The ladies aid met with Mrs. James
Coffield last Thursday afternoon. A
large crowd was present and a lovely
lunch was served by the hostess.
There were four Crosby ladies to visit
the ladies aid.

Mrs. John Veit and sister Doris Co-
field were Brainerd shoppers Friday.
The school picnic was held Satur-
day, May 23 at Esdon. A large crowd
attended. A big ball game and many
races and a lovely dinner was enjoyed
by all. A nice program was also en-
joyed.

Mrs. Mathison, daughter Norrairie,
Mrs. Lofgren and daughter Harriet
motored to Brainerd Friday after-
noon.

James Coffield and son Kenneth were
the lucky ones to find where our tele-
phone lines have been crossed for so
long. Now we get better service.

Mr. and Mrs. John Veit, Arline and
Doris Coffield, Miss Mildred Peterson
and Raleigh Obenshain were dinner
guests at Martin Hanson near Neu-
tral Sunday. In the afternoon they
walked through the woods to the fire
tower near Borden Lake which they
all climbed and viewed the country.
They returned home late in the even-
ing.

Mr. and Mrs. James Coffield, sons
Kenneth and Russell and daughter
Eva went to the cemetery at Dykeman
Sunday afternoon.

Mrs. John Pearson and daughter
Hollis of Neutral attended the school
picnic Saturday.

Melvin Bloomstrom and children
called at John Veit's Friday after-
noon.

Mrs. Nester Jokela and son Ray-
mond of Brainerd attended the picnic
Saturday at Esdon.

Mr. and Mrs. Mathison and family
motored to Brainerd on Saturday af-
ternoon.

Mrs. A. Stafford of Crooked Lake
attended the ladies aid at Mrs. Co-
field's.

Melvin Bloomstrom and two chil-
dren called at John Veit's Tuesday af-
ternoon.

FOSTER MASTERS

BRAINOS TO WIN

PENNEYS SCORE 10-3 VICTORY IN EXCITING DIAMONDBALL GAME

Benny Foster's masterful hurling
was responsible for the downfall of
the Brainos last night. He relieved
McIntosh in the third inning with his
team one run behind and struck out
thirteen of the fifteen men to face him
in the last five innings to give the J.
C. Penney Co. a 10-3 victory in a city
league diamondball game.

Pennys started in the first with
two runs. An error by O. Heikkinen
gave Aro a life. Lactala doubled to
left scoring Aro. Orth fled out. Raffidol
doubled to right scoring Lactala, and
Holman then struck out Joe Gabiou
and E. Foster to end the inning.

McIntosh walked J. Heikkinen to
start the Braino half of the first. O.
Heikkinen fanned. Holden walked.
Marshall beat out an infield hit, and
then Fitzharris came through with a
sizzling three base hit down the first
base line, scoring three runs. That
ended the scoring for both sides until
the 5th, when Joe Gabiou led off with
a single and came in when Cal Orth
hit for the circuit. Holman pitched a
fine game until the seventh when he
weakened and was touched for five
hits, including home runs by Lactala,
Raffidol and a three base hit by Foster.
Fitzharris was the outstanding player
for the Braino team, making several
spectacular stops and accounting for
all of their runs.

SPARKY ADAMS

AIDS CARDS IN 6-5 WIN OVER THE REDS

Yesterday's hero—Sparky
Adams, third baseman, whose sing-
le in the twelfth inning scored
Jimmy Wilson with the run that
gave the St. Louis Cardinal a 6
to 5 victory over Cincinnati.
Adams also hit two doubles.

CALL 74 FOR YOUR WANT ADS

BREAKS PAR BY

1 STROKE IN PLAY AT CARNOUSTIE

YESTERDAY HE SCORED 70 ON
THE PAR 71 BARRY
LAYOUT

NEW YORK PLAYER BORN IN SCOTCH TOWN OF THE TOURNAMENT

By VIRGIL PINKLEY
(United Press Staff Correspondent)
Carnoustie, Scotland, June 2.—(EP)—
A field of 108 golfers led by MacDon-
ald Smith, New York, qualified today
for the British Open Golf Champi-
onship. The large field was necessitated
by the fact that there were 10 players
who tied with aggregate scores of 160.
Mac Smith, popular local favorite
because he was a Carnoustie boy, put
together rounds of 70 and 71 for his
aggregate of 141 in the 36-hole test
before the tournament proper.

Carnoustie, Scotland, June 2.—(EP)—
Breaking par by one stroke and lower-
ing his own course record of 74, Mac-
Donald Smith of New York, born in
Carnoustie, scored a 71 today to obtain
a firmer hold on medal honors of the
British Open Golf Championship.

He played the difficult Carnoustie
course today. Yesterday he scored a
70 on the par 71 Barry layout. These
sterling rounds gave him an aggre-
gate of 141, a total which seemed
likely to stand up as the best of the
36-hole qualifying round.

He was out in 37, one stroke over
par, and home in 34, two below.

Archie Compston of Coombe Hill,
who was tied with two other players
for second place after yesterday's
round was completed, scored a 71 at
Carnoustie today, to tie Mac Smith's
record for the course, and to take sec-
ond place with half of the qualifying
rounds complete. He had an aggre-
gate of 143, two strokes behind that
of Mac Smith.

Horton Smith of Cagston, N. Y.,
scored a par 72 at Carnoustie and had
a total of 148. He was out in 35, one
under par, and home in 37.

Joe Turnesa of Elmsford, N. Y.,
scored a 76 today for an aggregate of
152, over the Barry course. He was
on the green in two at each long hole
except the 17th, but required three
putts on each of four greens.

Joe Kirkwood of New York scored
a 77 at Barry today. He made a like
score at Carnoustie yesterday and had
an aggregate of 154. This score was
good enough to qualify, unless a sur-
prising number of players cut many
strokes from their scores of yesterday.

Gene Sarazen, New York, played at
Barry and scored a 76 for an aggre-
gate of 151. He took 39 strokes going
out but was back in 37, one over par.

Johnny Farrell, New York, played
Barry and scored a 73, two over par.
He took 39 going out, and was four
above par to the turn, but came back
in 34, two below par for 4th nine.
He had an aggregate of 148 and was
well up among the leaders.

Rain fell throughout much of Far-
rell's round, increasing in volume as
he reached the home green.

Tony Manero, Elmsford, N. Y., who
was tied for second place yesterday
when he scored a 72 at Barry, carded
a 77 at Carnoustie today. He had an
aggregate of 149.

A. Straub, Newark, N. J., added an
80 to his 91 of yesterday for a total
of 171, costing him any chance of
qualifying.

THE WINNER OF THE MEMORIAL DAY RACE

Louis Schneider embracing his wife after winning the
500-mile auto race at Indianapolis, which netted him \$28,-
000 in prizes. Schneider, driving a Bowes Seal Fast Spe-
cial, averaged 96.6 miles per hour.

MISSION LAKE

Mr. and Mrs. Leiberg have opened
up their summer home on Pelican
Lake.

Mr. and Mrs. M. T. Garwood of Min-
neapolis are spending several weeks
at the home of their son and daugh-
ter-in-law, Mr. and Mrs. Paul Clasen
on Big Horse Shoe Lake.

Mr. and Mrs. Carl Musolf of Pequot
and Mr. and Mrs. Harry Van Horn
motored to Wisconsin Saturday and
spent the week end with Mr. and Mrs.
Bill Musolf formerly of Mission town.

Mr. and Mrs. Jess Mills called at the
E. H. Dunham home Sunday.

Mrs. Fred Howe and daughter Vir-
ginia, Miss Anna Patrusie, Miss Mc-
Colly and Tank Stowe called at the
O. A. McCoy home Friday evening.

Mr. and Mrs. Jess Van Horn and
family spent Sunday evening at the
W. H. Van Horn home.

Mr. and Mrs. Paul Clasen, and Mr.
and Mrs. M. T. Garwood called at the
Fred Dowling home Sunday.

Mr. and Mrs. Holm and family of
Brainerd spent Sunday at the Ole
Albertson home.

Mr. and Mrs. Lynol Foote and baby
daughter Beverly Ann of Maganes
spent Sunday afternoon at the home
of Mrs. Foote's parents, Mr. and Mrs.
James Dowling.

Miss Gertrude Mitchell spent the
week end at the Fred Howe home.

Mrs. Jess Mills and daughter Dor-
othy and Mrs. Will Denham and son
Dick were shopping in Brainerd Mon-
day.

Ed Young has been on the sick list
the past week.

Mrs. Jess Van Horn received a let-
ter from Mrs. Ernest and Mrs. Bill
Beavers of Berryville, Arkansas. The
Beavers' moved their in April. They
have rented a farm three miles from
a town. They like it there very well
they say the trees there are now load-
ed with fruit. They are having plenty
of rain and the prospects look very
good.

Carl Gell of Beltrami county called
on his uncle, E. L. Young one day last
week.

Mrs. Will Dunham and son Dick
called at the Jess Mills home Sunday.
Mr. and Mrs. Ernie Beavers and
family spent Sunday at the John
Durham home.

Mrs. Fred Howe and daughter Vir-
ginia, Miss Anna Patrusie, Miss Ger-
trude Mitchell, Miss McColly and Hank
Stowe took supper at the Will Dun-
ham home Friday evening.

Mrs. O. A. McCoy has been on the
sick list for the past week with
quinsy sore throat.

Mr. and Mrs. Leeland Lougee and
family and George Durham spent
Monday evening at the Ernest Beaver
home.

Mrs. Douglas Rosen and baby
daughter Barbara Ann are spending a
week with her parents, Mr. and Mrs.
Will Dunham.

Doris Stearns has accepted the
Mission school for another term.
Miss Evelyn Sabin has taken the
Dowling school for another year.

Mrs. O. E. Jones of Cohasset is
spending a few days with Mrs. Frank
Foote.

E. E. Taylor of Center has been
given the contract to carry mail from
Mission to Merrifield. The new sched-
ule will be effective July 1.

SOUTH LONG LAKE

Sunday school next Sunday morn-
ing at 10:30 o'clock. You are cordially
invited to attend. The title of the les-
son is Jesus in Gethsemane, Luke
22nd Chapter 24:71 verses.

Children's Day will be observed on
June 7 in the afternoon, there will
also be baptism on that day.

Mr. and Mrs. Will Morcomb and
family were Brainerd shoppers Sat-
urday.

We are glad to hear that Mrs. John
Fitzpatrick who is at the Swedish
hospital in Minneapolis is some better.
Mrs. Brown has been on the sick
list a few days but is now better.

Mrs. Walter Dickson and daughter
Bernice were in Brainerd Saturday
on a business trip.

Mr. and Mrs. Bert Peterson and
family visited one evening last week
with Mr. and Mrs. Wm. Senn and Mr.
and Mrs. George Peaseley.

We are sorry to hear that Mr. and
Mrs. Albert Anderson are not very
well.

Mrs. Wicklund and Mrs. Raymond
Kienow visited Saturday afternoon
with Mrs. Albert Krueger in Brain-
erd.

We are glad to see Mrs. Krueger
some better.

Mrs. L. Wiell visited a few days
with relatives in St. Paul. She re-
turned home Tuesday.

Mr. and Mrs. H. A. Wilson and fam-
ily of Brainerd visited Sunday with
Mrs. Wilson's parents, Mr. and Mrs.
C. F. Peterson.

Delbert Busbey and Will Maust
called Sunday afternoon at the home
of Mr. and Mrs. Ben Leonard.

Mrs. George Henningson entertain-
ed the ladies aid of the Platte Lake
church Wednesday, May 27.

Sunday with Mr. and Mrs. Roy Maust
at St. Mathias.

Mrs. Will Maust visited Sunday af-
ternoon with Mrs. Delbert Busbey.

Mr. and Mrs. Will Morcomb and
family and Mr. and Mrs. C. F. Peterson
visited Sunday evening with Mr.
and Mrs. C. Sutton.

Angner Ormstedt motored to Brain-
erd Saturday on a business trip.
Miss Greene was a supper guest at
the home of Mr. and Mrs. I. Clawson
Monday.

Miss Ethel Peterson visited over the
week end with her father, Charles
Peterson.

DAGGETT BROOK

Mr. and Mrs. Saadji called at Engel-
hart's Monday night.

The county grader is grading two
miles of road on the line between
Platte Lake and Daggett Brook town-
ships.

Miss Ruby Engelhart returned home
Monday from Hutchinson where she
has been attending school the past
year.

We surely had some good rains in
its vicinity this week.

Some of the Daggett Brook boys
were practicing ball last Sunday get-
ting ready to play with Brainerd next
Sunday.

The pupils and teacher of district
No. 18 are planning on having their
picnic on Thursday of this week. We
hope the weather will be favorable
then.

Lester and Fred Hilderbrand and
Clarence Engelhart called at Dixon's
Monday night.

Mr. and Mrs. Guy Gorton went to
Brainerd on Wednesday morning.

Some of the Daggett Brook folks are
busy shearing their sheep nowadays.

Some men are putting in a culvert
in the road between sections 11 and
12 now. The county grader is to
grade the road soon.

Tom Whitman is working on the
road now.

Mr. Palmer is putting in the crop
in the Armstrong place.

OAK LAWN

Mr. and Mrs. Alton Norton were
Brainerd visitors Monday.

Mr. and Mrs. Dan Peterson and
family visited with Mr. and Mrs. Clau-
rence Norgard Tuesday evening.

Mr. and Mrs. Miller called at the
Alton Norton home Tuesday night.

Mr. and Mrs. Carl Johnson and Mr.
and Mrs. Varner Johnson of Iron-
dalen visited at the Miller home Sunday
evening.

Mrs. Miller and daughters Florence,
Phyllis and Virginia called at Dul-
um's Friday night.

Miss Ruby Miller called on Mrs.

Dan Peterson Friday and also visited
her parents.

Mr. and Mrs. Paul Gibbs visited at
the Adam's home Tuesday night.

Seniors, we congratulate you. You have received your diplomas which represent four years of hard, conscientious labor. At times the road may have been difficult but you, one hundred and twenty-two graduates of the class of '31, as you advance into the school of life, may look back at the years in Brainerd high with great pleasure and delight.

Your accomplishments during the last four years have been many. You have kept up the scholastic standards with 12 students graduating with honor having 90 averages and above. You have participated in athletics and have composed teams which have brought recognition to the school. All school projects have been loyally and efficiently handled by you who have held up the school's tradition.

We congratulate you again and wish you all the success and happiness in your future years that you have enjoyed in your school careers.

Economy Move of Slight Saving
Shows Disregard for 90 Percent
Citizen Readers

Showing a disregard for the publication of its official notices in a paper which reached 90 percent of the homes in the city, the Brainerd Daily Dispatch, the City Council as an economy move last evening awarded the contract of publishing for the next two years to the Brainerd Weekly Dispatch.

The Weekly Dispatch is a subsidiary of the Brainerd Daily Dispatch and like other weekly publications reaches principally country subscribers.

Other weeklies bid for the official printing also but the Dispatch Weekly's bid of 40 cents per folio first publication and 15 cents per folio for subsequent publications was lowest and thereby received the contract.

The Daily's bid was 90 cents per folio for first publication and 45 cents per folio for subsequent publications. This is the legal rate for official publications in Minnesota.

The saving resulting from the transfer from the daily to the weekly newspaper is less than \$150 a year. Such a slight saving, it is believed, does not warrant the change since the majority of city readers, taxpayers of Brainerd, will be deprived of reading official notices of the city unless they become subscribers to the Brainerd Weekly Dispatch.

The Brainerd Tribune bid 90c and 45c with a sliding scale for large notices and the Brainerd Journal Press bid 60c and 20c.

FUNERAL RITES FOR MRS. JOHN S. BEATTY

Services were held at the Thompson mortuary this afternoon for Mrs. John S. Beatty, mother of John Durham of this city. Mrs. Beatty passed away Sunday afternoon at Fergus Falls, and the body was brought to Little Falls yesterday. Other children are Mrs. J. P. Buelow and Mrs. Herman Wing, both of Bemidji. A sister lives at Elk River.

The funeral was conducted at Little Falls.

NAVY CHATTER

Do you know that:
Only two men will be enlisted from this station during the month of June?
That our largest submarine carries a crew of seven officers and 80 men?
That men serving in submarines receive extra pay?

That the navy developed a small, efficient plane for submarines?
It is so small that it can be dismantled and stored in an eight foot tube and can be folded up in three minutes?

That the U. S. navy leads the world in aviation progress?

That the men of the U. S. navy witness many excellent athletic contests? Baseball is probably the most popular sport with our sailors.

That the equipment and uniforms are furnished free of charge to those that wish to indulge in athletic recreation?

That less than 14 per cent of the men in the navy are under the age of 20 years?

That the total personnel strength of the British navy exceeds that of our navy by over 5,000 men?

That many of our larger ships are equipped with soda fountains? That the profits of these fountains are expended for the benefit of the enlisted personnel of the navy?

CREDIT STUDIED AT CONFERENCES

Eighty Attend Banquet and Entertainment at Pine Beach Hotel

Advising the merchants to educate themselves as modern credit grantors by taking advantage of a course of study offered by the National Retail Credit Association, C. O. Stiles, field secretary of the association, spoke of the past, present and future of credit systems at a conference of the Minnesota Retail Credit Bureau Saturday, concluded with a banquet in the evening at the Pine Beach hotel.

"In granting credit there are three things to take into consideration," Mr. Stiles said. "How does he make to pay? The day of judging a man's ability to pay by his looks is past. Credit is the power to obtain goods or service on a promise to pay for the same on a specified date and the successful merchant of today is the merchant who follows that policy. Beware of the debtor who can give no reference for credit, stating he has always traded for cash. He is concealing something that your credit bureau can bring to light. A debtor desiring credit will only give you his best reference where your credit bureau can give you his identity, history, character, resources and credit information. Use your credit bureau service before the deadbeat uses you."

The Brainerd meeting was held in the Chamber of Commerce rooms and a luncheon was also held in the Randolph hotel. Eighty people attended the banquet, entertainment and dance at the Pine Beach hotel in the evening. Miss G. P. McCabe, secretary of the Brainerd Credit Bureau, presided.

The program included selections by the trio, Misses Georgia and Edith Drexler and Miss Geraldine Kiebler, a humorous reading by Miss Irma Haultala and songs by the Lions quartet of Brainerd.

Fourteen credit bureau secretaries conducted the open forum of the Minnesota Retail Credit Bureau. Among those present were S. L. Gillfillan of Minneapolis, president; Miss G. P. McCabe of Brainerd, secretary; H. H. Dammann of Rochester, vice president; R. E. Walker of St. Paul and George Fairley of Duluth, directors. The National Credit Association sent its Field Secretary to the meeting to give the main address. Many of the delegates were accompanied by their wives.

Polk County Couple Married in City

Theodore Anders and Sarah Chute, both of Polk county, Wis., were quietly married this morning by Rev. N. P. Olmsted.

Ruby Chute and Harley L. Mayer were the attendants.

STORE BURGLARS GET REFORMATORY

Edstrom and Hyatt Sentenced to One to Ten Years on Pleas of Guilty

Pleading guilty to grand larceny in the first degree Arthur Edstrom and Leonard Hyatt, West Brainerd, were sentenced to one to ten years at the St. Cloud reformatory by Judge B. F. Wright in district court Monday afternoon.

The two broke into the Lundborg Jewelry and Anderson Dry Cleaning establishments, Laurel street, recently stealing a large quantity of jewelry and some clothing. Articles stolen were recovered hidden near the M. and L. bridge west of the city when Edstrom lead officers to the spot.

Veronica Findlay, Minneapolis, plead guilty to issuing checks without funds and was sentenced to three months in the county jail, sentence being suspended for a year on good behavior.

TWO CROSBY WOMEN START SENTENCES

Two Crosby women started sentences of ten days each in the county jail today.

Anna Ojala was jailed for intoxication and Hattie Richmond for engaging in a public fight, using loud and profane language.

Chief of Police Hagkamp of Crosby brought the prisoners to Brainerd.

Plant Trees at Schools

The Home Project groups in St. Mathias township in promoting their program of school improvement have planted trees at two school houses.

At school district No. 13 the following planted trees: Wm. Jordan, Gene Veillette, Ralph Reid, Mrs. Gregory, Koering, Mrs. Wm. Gravell, Mrs. Anton F. Claus, Albert Krueger, Martin Tautges.

At school district No. 49 the following planted trees: Geo. Burrows, Leroy Sewell, Ole Anderson, Henry Elletson, Ed Brusseau, Eugene Gorron, Mr. Phillips, Theo. Hart.

Wait Till Mr. Tire Maker Sees This!... It'll Shoot His "Tricky" Comparison Chart Full of Holes.

A recent photograph of Mr. Pinson, his trusty car, and his faithful Riversides.

Meet T. J. E. "Uncle Happy" Pinson of Platte Center, Nebraska—known in the frontier days as "Devil's Arrow." Mr. Pinson is one of the colorful figures of the old west. He rode on the plains with Buffalo Bill, and knew Jesse James and his brother Frank. You see him in the photograph standing beside his 1912 Ford with two Riversides tires, just removed, after giving ten years of service and covering more than 40,000 miles. The hat he is wearing is punctured by bullets from the guns of Sioux Indians. Mr. Pinson paid \$18.65 each for his Riversides in 1920. Since then, Riversides have been improved tremendously, and the prices have dropped amazingly. You can buy Riversides today, in the Ford size for only \$4.55, and they are guaranteed WITHOUT LIMIT. Mr. Pinson's endorsement of Riversides came to us unsolicited and was not bought at a price. It is a voluntary testimonial of the satisfaction that Riversides have given him.

MR. PINSON'S RIVERSIDES LASTED 10 YEARS and covered 41,428 miles over rough territory

What chance have "comparison charts" you see in the papers and magazines against evidence like this! Who cares about charts showing "Rubber volume, weight, and the like," anyhow! We could build a tire bigger, heavier and wider than any tire on the market (*bigger even than Riversides*)—but that alone wouldn't give you satisfaction. *It's mileage you want in a tire* and these "paper comparisons" don't tell how far a tire will run.

We'll match Riversides... ON THE ROAD... against ANY tire made. And we'll beat it in price... Ask Mr. Pinson!

Riverside Tires are one of the best known in America. They have been sold for 19 years. They are made by one of the largest tire companies in the world. They are built to the most rigid specifications known. They are the finest quality it is possible to produce. They are backed by the most daring tire guarantee ever written. *And they sell for less than any first-quality nationally advertised tire on the market!* These sound like sensational claims. But they're facts. And Montgomery Ward & Co. stands back of every word. Note this—the nationally advertised tires offered to you at the same price as Riversides are *not* the first-quality tires of the manufacturers who make them—but their *second-quality* tires—put on the market to meet Riverside competition. So always compare qualities as well as prices. The table at the right lists some of the best known first-quality tires that *do* compare with Riversides in quality—you compare the prices!

COMPARE

Here are some leading makes of tires that are similar in quality to our 4-ply Riversides, and the published list prices:

SIZE	WARD'S RIVERSIDES (4-ply)	Firestone Gum-Striped High Speed Goodyear All Weather Goodyear Bilston (4-ply)
29x4.40/21	\$4.95	\$ 7.05
30x4.50/21	5.69	7.35
28x4.75/19	6.68	8.55
29x5.00/19	7.00	9.15
30x5.00/20	7.10	9.40
28x5.25/18	7.90	10.35
31x5.25/21	8.55	11.40
29x5.50/19	8.90	12.00
30x5.50/20	9.00	12.50

Here are some leading makes of tires that are similar in quality to our 6-ply Riversides, and the published list prices:

SIZE	WARD'S RIVERSIDES Heavy Duty (6-ply)	Firestone Gum-Striped High Speed Goodyear All Weather Goodyear Bilston (6-ply)
29x4.40/21	\$ 7.15	\$10.10
30x4.50/21	7.48	10.80
28x4.75/19	8.30	11.15
29x5.00/19	8.90	12.25
30x5.00/20	9.10	12.60
28x5.25/18	9.60	13.50
31x5.25/21	10.25	14.75
29x5.50/19	10.95	15.20
30x5.50/20	11.10	16.10

Not all sizes have been listed—but enough to give an idea of how prices compare. And by the way, Ward's prices are even LESS when you buy in PAIDS.

MAYOR ANNOUNCES SAFETY MEETING

Unit to be Organized Here to Promote Accident Reduction in Brainerd

Mayor Harry W. Cregar will call to order at 8 p. m. Thursday in the council chambers of the city hall a meeting for the formation of a city unit of the Minnesota Safety Council, affiliated with the National Safety Council.

The purpose of the unit will be to reduce accidents in the city and make city streets safer for travel.

All organizations interested are invited by Mayor Cregar to send representatives.

NAME DEPOSITORIES OF CITY FINANCES

A division of 70 percent to the First National Bank of Brainerd and 30 percent to the Citizens State Bank of Brainerd was made by the city council last evening in the naming of depositories of city finances.

The banks submitted bids of 2 percent per annum interest for short time deposits and 3 percent per annum interest for deposits on monies on deposit from 6 to 12 months.

Tank Request Turned Down

Because its erection would be contrary to the new fire ordinance the city council has turned down the request of the Standard Oil Co. to install a new tank at the corner of Eighth and Front streets.

Engineer Needs Car

The need of a small car for the city engineer in the conduct of his work was stressed by Alderman Chris Elvig at last evening's council meeting.

Rejecting a proposal to advertise for bids for a new or second hand car, the council referred the request to the purchasing committee.

BRAINERD'S ODDEST STORY OF TODAY

At noon Decoration Day, Clyde Moors living at 901 South Third street looked out in his back yard to see a big doe standing there watching the house. It stood there several minutes and then a group of children chased it down toward the river.

The deer had evidently come up from near Boom Lake. It stood within 20 feet of the back door of the house.

Erwin W. Sterns Dies in Minneapolis
Friends of Mrs. Lucy Sterns, formerly of Brainerd and prominent in musical circles here several years ago, will regret to hear of the death of her husband Erwin W. Sterns, who passed away in Minneapolis May 21.

Erwin W. Sterns, 55, had been attached to the Minneapolis federal narcotic headquarters for more than 10 years. For many years he was engaged in narcotic cases, and also played a prominent part in rounding up gangs of negroes and Chinese dealing in narcotic drugs in the Twin Cities. His work also took him from coast to coast and into Canada. During the world war he joined the secret service.

Mr. Sterns is survived by his wife and a sister Alice of Washington, D. C.

67 RESIDENTS ASK FOR NEW OFFICER

A petition signed by 67 residents asking for an additional police officer for the city has been turned over to the finance committee for a report to the next meeting if city funds will warrant the placing of another officer.

Special Officer Frank Brandt is being considered for the post if it is established.

The suggestion was offered that a motorcycle policeman be put on the force. It was said that such an officer would pay for himself by prosecutions in municipal court.

Units Bid Goodbye to Gold Star Mother

Last evening the American Legion and the American Legion Auxiliary met at the Iron Exchange hall to bid "bon voyage" to Mrs. August Viet, Gold Star mother, who will soon sail for France.

The gathering last evening was also a birthday party, commemorating the seventh anniversary of the American Legion Auxiliary.

Following a short business session a program consisting of several selections by the American Legion trio, vocal solos by Mrs. Ray Hall and Al Mraz was given. Other numbers were a toe dance and an acrobatic dance by Beth Pulkabek, a talk on "Gold Star Mothers Pilgrimage" by Mrs. Arthur Hagberg, Jr.; History of the Auxiliary by Mrs. John Alton and a talk on soldiers' cemeteries in Europe by Miss Evelyn Mraz.

Three Gold Star mothers were in attendance, Mrs. Viet being the only one going to France. She was presented with a beautiful gift from the Legion and the Auxiliary by District Commander Arthur Hagberg, Jr. He also wished her a safe and enjoyable trip on behalf of those gathered.

A dainty luncheon was served including the birthday cake, trimmed with the seven candles.

Mrs. John Alton was in charge of the party.

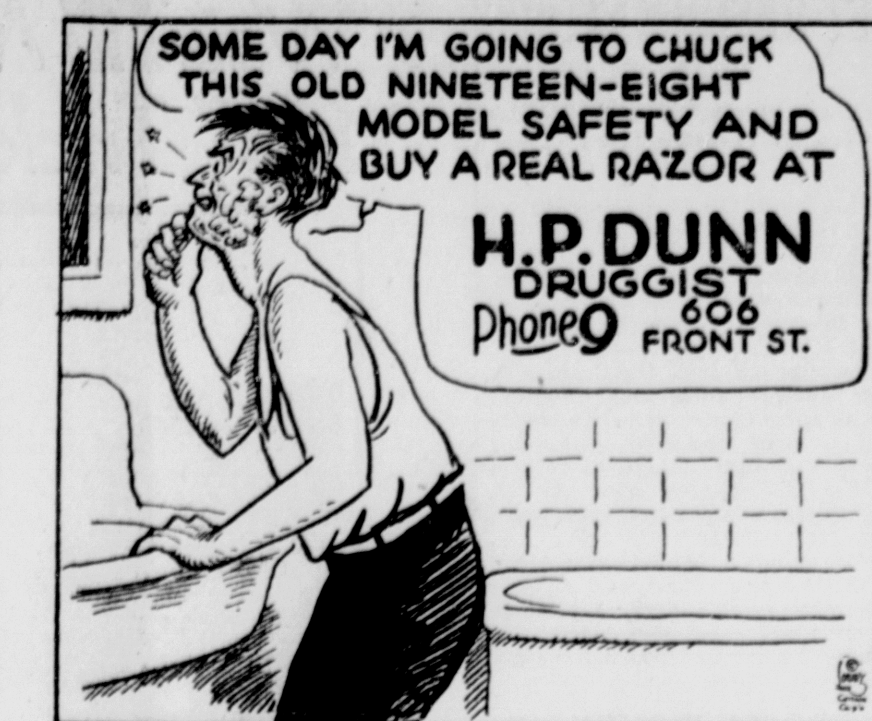

WM. ANDREWS BARR DIES IN ARGENTINA

Buenos Aires, Argentina, June 2.—(U.P.)—William Andrews Barr, 50, general manager of Swift & Co. in South America, died last night. Barr was in Argentina since 1912, born in Red Wing, Minn. He had been

Amelia Earhart Leaves North Platte for Cheyenne

North Platte, Neb., June 2.—(U.P.)—Amelia Earhart, making a coast-to-coast flight in an autogiro, left Boeing airfield here at 1 p. m. today for Sidney, Neb., and Cheyenne, Wyo. She will make the latter point her overnight stop, she said.

DRUG CHUCKLES

Is your old safety an heir or a hair loom? Great strides have been made in the improvement of shaving comfort and for such an important matter as such a trifling outlay there is no excuse why we should not enjoy the latest and best in blades, brushes and creams.

Federal Employment Office to Serve N. W. Employers, Laborers

Minneapolis, June 2.—(U.P.)—A federal employment office to serve northwest employers and laborers was opened today in Minneapolis with A. B. Gilbert as manager.

More than 5,000 letters will be mailed to northwest employers informing them of the new department. No fees will be charged laborers; it was announced.

The Minneapolis Civic and Commerce association is cooperating with the federal government in establishing the service, according to Richard T. Jones, Minnesota director of the United States department of labor.

The employment offices under present plans will be placed at a four month trial basis and it is expected the offices may become permanent.

MAYOR ANNOUNCES SAFETY MEETING

Unit to be Organized Here to Promote Accident Reduction in Brainerd

Mayor Harry W. Creger will call to order at 8 p. m. Thursday in the council chambers of the city hall a meeting for the formation of a city unit of the Minnesota Safety Council, affiliated with the National Safety Council.

The purpose of the unit will be to reduce accidents in the city and make city streets safer for travel.

All organizations interested are invited by Mayor Creger to send representatives.

NAME DEPOSITORIES OF CITY FINANCES

A division of 70 percent to the First National Bank of Brainerd and 30 percent to the Citizens State Bank of Brainerd was made by the city council last evening in the naming of depositories of city finances.

The banks submitted like bids of 2 percent per annum interest for short time deposits and 3 percent per annum interest for deposits on monies on deposit from 6 to 12 months.

Tank Request Turned Down

Because its erection would be contrary to the new fire ordinance the city council has turned down the request of the Standard Oil Co. to install a new tank at the corner of Eighth and Front streets.

Engineer Needs Car

The need of a small car for the city engineer in the conduct of his office was stressed by Alderman Chris Elvig at last evening's council meeting.

Rejecting a proposal to advertise for bids for a new or second hand car, the council referred the request to the purchasing committee.

BRAINERD'S ODDEST STORY OF TODAY

At noon Decoration Day, Clyde Moors living at 901 South Third street looked out in his back yard to see a big doe standing there watching the house. It stood their several minutes and then a group of children chased it down toward the river.

The deer had evidently come up from near Boom Lake. It stood within 20 feet of the back door of the house.

Erwin W. Sterns Dies in Minneapolis

Friends of Mrs. Lucy Sterns, formerly of Brainerd and prominent in musical circles here several years ago, will regret to hear of the death of her husband Erwin W. Sterns, who passed away in Minneapolis May 21.

Erwin W. Sterns, 55, had been attached to the Minneapolis federal narcotic headquarters for more than 10 years. For many years he was engaged in narcotic cases, and also played a prominent part in rounding up gangs of negroes and Chinese dealing in narcotic drugs in the Twin Cities. His work also took him from coast to coast and into Canada. During this world war he joined the secret service.

Mr. Sterns is survived by his wife and a sister Alice of Washington, D. C.

67 RESIDENTS ASK FOR NEW OFFICER

A petition signed by 67 residents asking for an additional police officer for the city has been turned over to the finance committee for a report to the next meeting if city funds will warrant the placing on of another officer.

Special Officer Frank Brandt is being considered for the post if it is established.

The suggestion was offered that a motorcycle policeman be put on the force. It was said that such an officer would pay for himself by prosecutions in municipal court.

Units Bid Goodbye to Gold Star Mother

Last evening the American Legion and the American Legion Auxiliary met at the Iron Exchange hall to bid "bon voyage" to Mrs. August Viet, Gold Star mother, who will soon sail for France.

The gathering last evening was also a birthday party, commemorating the seventh anniversary of the American Legion Auxiliary.

Following a short business session a program consisting of several selections by the American Legion trio, vocal solos by Mrs. Ray Hall and Al Mraz was given. Other numbers were a toe dance and an acrobatic dance by Beth Fulkrahek, a talk on "Gold Star Mothers Pilgrimage" by Mrs. Arthur Hagberg, Jr.; History of the Auxiliary by Mrs. John Alton and a talk on soldiers' cemeteries in Europe by Miss Evelyn Mraz.

Three Gold Star mothers were in attendance, Mrs. Viet being the only one going to France. She was presented with a beautiful gift from the Legion and the Auxiliary by District Commander Arthur Hagberg, Jr. He also wished her a safe and enjoyable trip on behalf of those gathered.

A dainty luncheon was served including the birthday cake, trimmed with the seven candles.

Mrs. John Alton was in charge of the party.

"MURDER AT EAGLE'S NEST" By WINIFRED VAN DUZER

CHAPTER XXXIX.

"AYBE yes, maybe no," Reynolds said in reply to the question that merely looked. "He tells a good story. Admitted right away that he's Wilkes Deland. Said the show business is shot—has been for a year. That's true; I've a sister on the stage. He'd played butler parts once or twice, remember him in 'Pirate Gold'? And when he found himself out of luck decided to tide over by butlering till things opened up."

"The last family he was with—this is only his second try and he's got a part clinched for October—went to Europe. So he took the references they wrote out for him all nice and pretty and came up here for the summer. And there you are."

"Sounds pat," Walter admitted. "Anyway he's more valuable to us here than looked up."

"Right you are, son. And now—"

A stoop-shouldered, wiry little man thrust a screwed-up face against the open window and hissed sharply. Walter called, "What is it, Terrence?"

"I'm wishin' a minute with you, sor."

"Come in, Terrence. Go around front and I'll let you in."

Damaging Evidence

The little gardener entered with an air of great mystery and held out an object that gleamed faintly. "I do be findin' this in the garden, Mr. Vance, sor. 'Twas buried deep under the bit of grass formin' the summer house on the west side of the door. You'll be wantin' it, I'm thinkin'."

They crowded about to see what lay in Walter's hand. A flat oblong of dull gold it was, cut through the center with the letters "T. F."

Bim had seen it dozens of times. It was Ted Frost's missing lighter. Walter kept reasoning with Bim, telling her that there was nothing afout inimical to Ted and Mary Frost, provided they could explain away certain discrepancies between their movements on the night the Baroness von Wiese was murdered and their previous story of those movements.

"They both have lied themselves black in the face, Bim. That's dangerous right now. And they're too mixed up in the case by far."

The officer and the girl were alone in the little drawing room, Reynolds having gone up the hill to fetch Sarah, the Frost maid, for questioning. Bim walked about the room, half crying, protesting that the police were jumping at conclusions.

"What does it matter that Ted's lighter happened to be out by the summer house? I've told you I was visitin' Mary. She had seen it only a few minutes before. Probably Sarah didn't put it on the table at all; easy enough to mislay such things."

Hasn't it occurred to you," Walter began patiently, "that the little scene between Mary and Ted may have been staged for your benefit? Mary wouldn't stop at this; she had lied right along. You said just a moment ago that Ted used the lighter on the terrace after dinner the night of the murder. Your attitude doesn't help them. It looks almost as if you were a party to this general covering up."

"Waiter!" Her eyes blazed at him.

"They've both lied themselves black in the face, Bim."

"I didn't mean it, Bim. Only you're working for or against us. It won't do."

She grew calmer and, sitting down at his side, prepared to face this new development. "It's so circumstantial, Wally. I can't make it seem right."

"It isn't just this. We've unearthed other things not so circumstantial."

"Oh? Yes—well..."

Of course she had no way of knowing what the police had accomplished. She could only hope that her old friends would not be implicated. "There are so many others to be considered, Wally dear. Not just Ted and Mary."

"We're considering the others," he laid his hand on hers in the first gesture of friendliness he had shown for days. "Don't take it so to heart, honey."

She felt comforted a little and when Reynolds arrived with Sarah in tow, smiled at the colored maid's air of importance. Sarah seated herself upon the extreme edge of a chair and favored them with a wide, white grin.

Frequent Quarrels

"Sarah," Reynolds began, "We hear that Mr. Frost keeps late hours and his wife doesn't like it. Ever hear them scappin'?"

"Yes suh, sure does." Sarah rolled her eyes and broadened her grin a trifle. "Sure does scap, them folks. Miss Mahy, she always studyin' to keep Mr. Ted in nights but seems lak it don't do no good nohow."

"They been having trouble lately? The last few days?"

The woman's face set in a large, chocolate colored blank with the effort of thinking. "Caint say about that, suh. No, suh; seem lak they been right lovin' last few days ev' sence they row 'tother night."

"What night did they row, Sarah? Think now; this is Friday."

"Reckon we had cream chicken lef oveh fum Sunday so's it musta been Monday. Yas suh, that's when it was, Monday."

"But Mr. and Mrs. Frost weren't home Monday night."

"No suh; was lunch we had cream chicken."

The white grin returned and they listened to a rambling story of Sarah's slumbers being interrupted by the cat Peter which, it seemed, shared her room. She arose to put Peter on the extension roof below her window between three and four o'clock—she was positive about this because she had an alarm clock beside her bed and saw Ted and Mary Frost get out of their car and heard them come in.

Ted began the row, Sarah averred, when he cried in a loud, angry voice "What the deuce do you mean by gadding about all night?" And Mary's voice was quite angry and almost as loud as she declared that she possessed the same right to gad about that he did and meant to make use of that right. They had quarreled bitterly, flinging reproaches and retortations at each other and finally Mary had gone to her room and Ted had gone to his, each banging a door.

No, they had had no luncheon before retiring, they were much too angry to think of eating. And yes, Mary went out almost as much as Ted did, but only on nights when he was gone. It was the principal thing that caused trouble in the household—Mary's nocturnal absences.
